DEVELOPMENT OF EMERGENCY

Department of Children and Family Services

Licensing Section

Residential Home
(LAC 67:V.Chapter 71)

The Department of Children and Family Services (DCFS) has exercised the emergency provision of the Administrative Procedure Act, R.S. 49:953(B) to amend LAC 67:V, Subpart 8, Chapter 71 Child Residential Care, Class A. This emergency rule shall be effective August 1, 2016 and shall remain in effect for a period of 120 days.

Pursuant to Section 2 of Act 502 of the 2016 Regular Legislative Session, the Department shall adopt rules in accordance with the Administrative Procedures Act effective August 1, 2016. The Department considers emergency action necessary in order to revise the child residential licensing standards to incorporate standards to protect the safety and well-being of children residing in child residential facilities with their parents.

Title 67

SOCIAL SERVICES

Part V. Child Welfare

Subpart 8. Residential Licensing

Chapter 71. Child Residential Care, Class A

§7101. Purpose

A. It is the intent of the legislature to protect the health, safety, and well-being of the children and residents of the state who are in out-of-home care on a regular or consistent basis. Toward that end, it is the purpose of Chapter 14 of Title 46 of the Louisiana Revised Statutes of 1950 to establish statewide minimum standards for the safety and well-being of children and residents, to ensure maintenance of these
standards, and to regulate conditions in these facilities through a program of licensing. It shall be the policy of the state to ensure protection of all individuals under care by specialized providers in child care facilities and to encourage and assist in the improvement of programs. It is the further intent of the legislature that the freedom of religion of all citizens shall be inviolate.

A. Legislative Provisions

1. The State of Louisiana, Department of Children and Family Social Services, is charged with the responsibility of developing and publishing standards for the licensing of residential homes. child residential facilities (CRF).

a. The licensing authority of the Department of Children and Family Social Services is established by R.S. 46:1401 et seq. and R.S. 46:51 which mandate the licensing of all residential homes, resident care facilities and resident placing agencies, including CRF). A CRF is defined as any place, facility or home operated by any institution, society, agency, corporation, person or persons or any other group to provide full-time care (24 hour residential care) for four or more children under the age of 18 years who are not related to the operators, and whose parents or guardians are not residents of the same facility, with or without transfer of custody. A residential home is any place, facility, or home operated by any institution, society, agency, corporation, person or persons, or
any other group to provide full-time care, 24 hours per day, for
more than four children, who may remain at the facility in
accordance with R.S. 46:1403.1, who are not related to the
operators and, except as provided in this paragraph, whose
parents or guardians are not residents of the same facility,
with or without transfer of custody. However, a child of a
person who is a resident of a residential home may reside with
that parent at the same facility. The age requirement may be
exceeded as stipulated in R.S. 46:1403.1 which states that,
"...notwithstanding any other provision of law to the contrary,
including but not limited to R.S. 46:1403(A)(1), a person child
housed at a residential home may stay at such home for a period
not to exceed six months beyond his eighteenth birthday to
complete any educational course that he began at such facility,
including but not limited to a general education development
(GED) course, and any other program offered by the residential
home". In addition, the R.S. 46:1403.1(B) further stipulates
that, "Notwithstanding Subsection A of this Section and any
other provision of law to the contrary, including but not
limited to R.S. 46:1403(A), a child housed at a residential home
that does not receive Title IV-E funding pursuant to 42 U.S.C.
670 et seq., may remain at such home until his twenty-first
birthday to complete any educational course that he began at
such facility, including but not limited to a General Education
Development course, and any other program offered by the
residential home."

B. Penalties. As mandated by R.S. 46:1421, whoever
operates as a specialized provider any child care facility or
child-placing agency as defined in R.S. 46:1403, including any
child residential facility, without a valid license issued by
the department shall be fined not less than $1,000 for each day
of such offense.
C. Waiver Request

1. The secretary of the department, in specific instances, may waive compliance with a standard, as long as the health, safety, and well-being of the staff and/or the health, safety, rights, or well-being of residents or children are not imperiled. Standards shall be waived only when the secretary determines, upon clear and convincing evidence, that the economic impact is sufficient to make compliance impractical for the provider despite diligent efforts, and when alternative means have been adopted to insure that the intent of the regulation has been carried out.

2. Application for a waiver shall be made in writing and shall include:

   a. a statement of the provisions for which a waiver is being requested; and

   b. an explanation of the reasons why the provisions cannot be met and why a waiver is being requested.

3. The request for a waiver will be answered in writing and approvals will be maintained on file by the requesting provider and the department. The department shall document the reasons for granting the waiver. A waiver shall be granted for a period of one year or as specified by the secretary and will not be renewed if the basis for it no longer exists. If the provider has been granted a waiver by the department, the waiver will be identified on the survey report of any subsequent annual survey report. A waiver is issued at the discretion of the Secretary and continues in effect at her pleasure. It may be revoked by the Secretary at any time, either upon violation of any condition attached to it at issuance, upon failure of any of the statutory prerequisites to issuance of a waiver (i.e., the cost of compliance is no longer so great as to be impractical or the health or safety of any staff or any child.
or resident is imperiled), or upon her determination that continuance of a waiver is no longer in the best interest of the Department.

D. Variance Request

1. The secretary of the department, in specific instances, may grant an exception to the standards temporarily for the purposes of allowing emergency admittance of specific residents as long as the health, safety, and well-being of the staff and/or the health, safety, rights, and well-being residents is not imperiled. This variance shall not be granted if it would result in a substantial change to the program.

2. A request for a variance shall be made in writing and shall include a statement of the provisions for which the variance is being requested.

3. The request for a variance will be answered in writing and specify the period of time for which the variance is being granted. A variance may be granted for a length of time not to exceed 90 days, and may be renewed one time, for good cause shown, for an additional 90 day period not to exceed 180 days.

§7107. Licensing Requirements

A. General Provisions

1. New buildings shall be designed to appear physically harmonious with the neighborhood in which they are located considering such issues as scale, appearance, density and population. A CRF residential home shall not occupy any portion of a building licensed by another agency. A residential home shall be a self-contained facility. The mixing of differing populations is prohibited.

2. Before beginning operation, it is mandatory to obtain a license from the department.

3. All new construction or renovation of a facility requires approval from agencies listed in §7107.B.1 §7107.B.2.b.-f and must comply with the Louisiana Uniform Construction Code.
4. In addition all facilities shall comply with the requirements of the Americans with Disabilities Act, 42 U.S.C.§12101 et seq. (ADA).

5. Any owner/owners of a child residential shall provide documentation of a satisfactory criminal record check. Documentation of a satisfactory fingerprint based criminal background check from Louisiana State Police shall be submitted for all owners of a residential home, as required by R.S. 46:51.2 and R.S. 15:587.1. A copy of the criminal background check shall be submitted for each owner of a facility with an initial application, a change of ownership (CHOW) application, a change of location (CHOL) application, and/or an application for renewal for a child residential license. No person with a criminal conviction for, or a plea of guilty or nolo contendere to, any offense included in R.S. 15:587.1, or any offense involving a juvenile victim, shall directly or indirectly own, operate, or participate in the governance of a child residential home. In addition, an owner, or director shall not have a conviction of, or plea of guilty or nolo contendere to any crime in which an act of fraud or intent to defraud is an element of the offense. Effective August 1, 2016, criminal background checks (CBC) shall be dated no earlier than 30 days of the individual being present in the facility or having access to the residents or children. If an individual has previously obtained a certified copy of their criminal background check obtained from the Louisiana Bureau of Criminal Identification and Information Section of the Louisiana State Police, such certified copy shall be acceptable as meeting the CBC requirements. If an owner obtains a certified copy of their criminal background check from the Louisiana State Police, this criminal background check shall be accepted for a period of one year from the date of issuance of the certified copy. This
certified copy shall be kept on file at the facility. Prior to the one-year expiration of the certified criminal background check, a new fingerprint-based satisfactory criminal background check shall be obtained from Louisiana State Police. If the clearance is not obtained prior to the one-year expiration of the certified criminal background check, the owner is no longer allowed on the premises until a clearance is received. The following is a listing of individuals by organizational type who are required to submit documentation of a satisfactory criminal background clearance:

a. individual ownership—individual and spouse;

23. If the initial licensing packet is incomplete, the applicant will be notified of the missing information and will have 10 45 calendar working days to submit the additional requested information. If the department does not receive the additional requested information within the 10 working 45 calendar days, the application will be closed and the fee forfeited. After an initial licensing application is closed, an applicant who is still interested in becoming a CRF residential home provider shall submit a new initial licensing packet with a new initial licensing fee to restart the initial licensing process.

4. Once the department has determined the application initial licensing packet is complete, the applicant will be notified DCFS will attempt to contact the department applicant to schedule an initial inspection survey; however it is the applicant’s responsibility to coordinate the initial inspection. If an applicant fails to contact the department and coordinate schedule the initial survey inspection within 45
calendar days of the notification, the initial licensing application shall be closed and fee forfeited.

5. After an initial licensing application is closed, an applicant who is still interested in becoming a CRF residential home provider shall submit a new initial licensing packet with a new initial licensing fee to restart the initial licensing process.

6. After the completed application and non-refundable fee have been received by the Licensing Section, DCFS will notify the Office of State Fire Marshal, Office of City Fire Department (if applicable), and Office of Public Health that an application for licensure has been submitted. However, it is the applicant's responsibility to request and obtain these inspections and approvals.

C. Initial Licensing Survey Inspection

1. Prior to the initial license being issued to the CRF residential home provider, an initial licensing inspection survey shall be conducted on-site at the CRF residential home to assure compliance with all licensing standards. The initial licensing survey inspection shall be an announced survey inspection. No resident shall be provided services by the CRF residential home provider until the initial licensing survey inspection has been performed and the department has issued an initial license. If the provider is in operation in violation of the law, the licensing inspection shall not be conducted. In these instances, the application shall be denied and DCFS shall pursue legal remedies.

2. In the event the initial licensing survey inspection finds the CRF residential home provider is compliant with all licensing laws and standards, and is compliant with all other required statutes, laws, ordinances, rules, regulations, and fees, the department may issue a full license to the
The license shall be valid until the expiration date shown on the license, unless the license is modified, extended, revoked, suspended, or terminated.

3. In the event the initial licensing survey inspection finds the CRF residential home provider is noncompliant with any licensing laws or standards, or any other required statutes, laws, ordinances, rules, or regulations, with the exception of the following standards, that present a potential threat to the health, safety, or welfare of the participants, the department shall may deny the initial license application:

   a. Office of State Fire Marshal approval;
   b. city fire approval (if applicable);
   c. Office of Public Health approval;
   d. three signed and dated reference letters on the program director dated within the previous three months of hire which should attest affirmatively to his/her character, qualifications, and suitability to manage the program;
   e. documentation of a satisfactory Louisiana State Police fingerprint based criminal record clearance for all staff not previously listed on the staffing sheet in §7107.B.2.n; and
   f. documentation of completed State Central Registry Disclosure forms (SCR 1) noting no justified (valid) finding of abuse and/or neglect for all staff not previously listed on the staffing sheet in §7107.B.2.n or determination from the Risk Evaluation Panel or Division of Administrative Law noting that the individual does not pose a risk to children/youth/residents.

4. The application shall be denied if the above documentation is not received within 120 calendar days of receipt of the completed initial application packet.
event the initial licensing survey finds that the CRF is noncompliant with any licensing laws or standards, statutes, laws, ordinances, or rules but the department, in its sole discretion, determines that the noncompliance does not present a threat to the health, safety, or welfare of the participants, the department may issue an initial license for a period not to exceed three months. The provider shall submit a corrective action plan to the department. The corrective action plan shall include a description of how the deficiency shall be corrected and the date by which corrections shall be completed. The department must approve the corrective action plan prior to issuing the initial license. If the department determines, prior to the expiration date of the initial license, that such noncompliance or deficiencies have been corrected, a license will be issued. If the department determines that such noncompliance or deficiencies have not been corrected, the license will expire and all operations shall cease. The provider shall be required to begin the initial licensing process again by submitting a new initial license application packet and fee.

5. When issued, the initial CRF residential home provider license shall specify the licensed bed capacity. Children of residents shall not be counted in the facility’s licensed capacity; however the license will note if the provider is licensed to provide services to children of residents.

6. The license, as defined herein, must be conspicuously displayed at the facility. The most recent annual survey and follow-up survey, if any must be made available for inspection to any person requesting them.

7. Once a CRF has been issued a license, the department shall conduct licensing and other surveys at intervals deemed necessary by the department to determine compliance with licensing standards, as well as, other required
statutes, laws, ordinances, rules, regulations, and fees. These surveys shall be unannounced.

8. The department shall remove any child or all or children from any facility or agency when it is determined that one or more deficiencies exist within the facility that place the health and well being of the child or children in imminent danger. The child or children shall not be returned to the facility until such time as it is determined that the imminent danger has been removed.

9. Department staff shall be given access to all areas of the facility and all relevant files during any licensing or other survey. They shall be allowed to interview any staff or participant as necessary to conduct the survey.

10. If an applicant or member of his/her immediate family has had a previous license revoked, refused or denied, upon reapplication, the applicant shall provide written evidence that the reason for such revocation, refusal or denial no longer exists.

D. Fees and Notification of Changes

1. The applicable licensing fee shall be submitted with the initial license application and any change of ownership or location. All fees shall be paid by certified check, business check or money order only and are nonrefundable. All fees are non-refundable and shall be paid by money order, certified check, or electronic payment, if available, made payable to DCFS - Licensing Section.

2. License fees are required prior to issuance or renewal of a license. preparing the Louisiana Register and Louisiana Administrative Code.
licensee shall be prohibited from owning, managing, directing or operating another licensed facility for a period of not less than two years from the date of the final disposition of the revocation or denial action. The lapse of two years shall not automatically restore a person disqualified under this provision to eligibility for employment. The department, at its sole discretion, may determine that a longer period of disqualification is warranted under the facts of a particular case.

H. Disqualification of Facility and Provider

1. If a facility's license is revoked or not renewed due to failure to comply with state statutes and licensing rules, the department shall not accept process a subsequent application from the provider for that facility or any new facility for a minimum period of 24 months after the effective date of revocation or non-renewal or a minimum period of 24 months after all appeal rights have been exhausted, whichever is later (the disqualification period). Any subsequent application for a license shall be reviewed by the secretary or her designee prior to a decision being made to grant a license. The department reserves the right to determine, at its sole discretion, whether to issue any subsequent license.

2. Any voluntary surrender of a license by a facility facing the possibility of adverse action against its' license (revocation or non-renewal) shall be deemed to be a revocation for purposes of this rule, and shall trigger the same disqualification period as if the license had actually been revoked. In addition, if the applicant has had a substantial history of non-compliance, including but not limited to revocation of a previous license, operation without a license, or denial of one or more previous applications for licensure, the department may refuse to accept process a subsequent application.
application from that applicant for a minimum period of 24 months after the effective date of denial.

3. The disqualification period provided in this rule shall include any affiliate of the provider.

I. Appeal Process for Denial, Non-renewal, or Revocation

1. The DCFS Licensing Section, shall advise the applicant, program director or owner by letter of the reasons for non-renewal or revocation of the license, or denial of an application, and the right of appeal. If the director or owner is not present at the facility, delivery of the written reasons for such action may be made to any staff of the facility. Notice to a staff shall constitute notice to the facility of such action and the reasons therefore. A request for appeal shall include a copy of the letter from the Licensing Section that notes the reasons for revocation, denial, or non-renewal, together with the specific areas of the decision the appellant believes to be erroneous and/or the specific reasons the decision is believed to have been reached in error, and shall be mailed to: Department of Children and Family Services, Appeals Section, P.O. Box 2944, Baton Rouge, LA 70821-9118.

2. A provider shall have 15 calendar days from receipt of the letter notifying of the revocation or non-renewal to request an appeal. Provider may continue to operate during the appeals process as provided in the Administrative Procedures Act.

3. If the provider’s license will expire during the appeal process, the provider shall submit an application, fee, copies of the satisfactory criminal background clearances and current SCR 1 forms for all owners. Each provider is solely responsible for obtaining the application form. The application, full licensure fee, copies of the criminal background clearances and SCR 1 forms for all owners shall be received on or
postmarked by the last day of the month in which the license expires, or the provider shall cease operation at the close of business by the expiration date noted on the license.

4. A provider shall have 30 calendar days from receipt of the letter notifying of the denial of an application for a license to request an appeal.

5. The Appeals Section shall notify the Division of Administrative Law of receipt of an appeal request. Division of Administrative Law shall conduct a hearing. The appellant will be notified by letter of the decision, either affirming or reversing the original decision.

6. If the decision of DCFS is affirmed or the appeal dismissed, the provider shall terminate operation of the child care business immediately. If the provider continues to operate without a license, the DCFS may file suit in the district court in the parish in which the facility is located for injunctive relief.

7. If the decision of DCFS is reversed, the license will be re-instated and the appellant may continue to operate.

1. If the department refuses to grant or renew a license, if a license is revoked, the procedure will be as follows:

   a. The department shall notify the licensee, or applicant in writing of the denial or revocation and the reasons for that denial or revocation and the right of appeal.

   b. The program director or owner may appeal this decision by submitting a written request with the reasons to the Secretary, Department of Children and Family Services, Bureau of Appeals, P.O. Box 2994, Baton Rouge, LA 70821-9118. This written request shall be postmarked within 15 days of the receipt of the notification in §7107.H.1 above.

Pursuant to RS 49:983 the Office of the State Register may make technical changes to proposed rule submissions in preparing the Louisiana Register and Louisiana Administrative Code.
e. The Division of Administrative Law shall set a hearing to be held within 30 days after receipt of such a request except as provided in the Administrative Procedures Act. 

d. An administrative law judge shall conduct the hearing. Within 90 days after the date the appeal is filed, the administrative law judge shall notify the appellant in writing of the decision, either affirming or reversing the original decision. If the department’s decision is upheld, the facility shall terminate operation immediately.

2. If the facility continues to operate without a license, the department may file suit in the district court in the parish in which the facility is located for injunctive relief.

J. Complaint Process

1. In accordance with RS 46:1418, the department shall investigate all complaints (except complaints concerning the prevention or spread of communicable diseases), including complaints alleging abuse or neglect, within prescribed time frames as determined by the department based on the allegation(s) of the complaint. All complaint investigation inspections will be initiated within 30 days.

2. All complaint inspections shall be unannounced.

3. A written report of any noncompliance or deficiencies will be given to the provider. The provider shall be required to submit a corrective action plan to the department for approval. The department shall specify the timeline for submitting the corrective action plan based on the areas of non-compliance cited but no later than 10 days from the date of receipt of the notification. The corrective action plan shall include a description of how the deficiency shall be corrected and the date by which corrections shall be completed. If it is
determined that all areas of noncompliance or deficiencies have not been corrected, the department may revoke the license.

4. Except in cases alleging abuse or neglect, the complainant will be notified in writing of the results of the complaint investigation conducted by the office of community services (OCS) residential licensing.

5. If, because of the nature of the allegations, state law or department policy requires that the complaint be handled by another office, agency or board (including another office, agency, or board within the department), the complaint will be referred to the appropriate office, agency, or board without delay. Upon such referral, except in cases involving abuse or neglect, the complainant will be notified, in writing, of the referral.

63. The complaint procedure shall be posted conspicuously in the facility including the name, address, and telephone number of the required department units to be notified.

K. Posting of Notices of Revocation

1. The notice of revocation of the license shall be prominently posted.

   a. The Department of Children and Family Services shall prominently post a notice of revocation action at each public entrance of the child residential care facility within one business day of such action. This notice must remain visible to the general public, other placing agencies, parents, guardians, and other interested parties of individuals that receive services from the provider children who attend the child care facility.

   b. It shall be a violation of these rules for a provider to permit the obliteration or removal of a notice of revocation that has been posted by the department. The provider
shall ensure that the notice continues to be visible to the general public, other placing agencies, parents, guardians, and other interested parties throughout the pendency of any appeals of the revocation.

c. The provider shall notify the department’s child residential licensing management staff verbally and in writing immediately if the notice is removed or obliterated.

d. Failure to maintain the posted notice of revocation required under these rules shall be grounds for denial, revocation, or non-renewal of any future license.

L. State Central Registry

1. All owners shall complete, sign, and date the state central registry disclosure form (SCR 1) as required by R.S. 46:1414.1. This information shall be reported prior to the individual owner being on the premises of the child residential facility home, and shall be updated annually at the time of licensure renewal, at any time upon the request of DCFS, and within three business days and within 24 hours or no longer than the next business day, whichever is shorter, of any owner receiving notice of a justified (valid) finding of child abuse and/or neglect against them determination of child abuse or neglect. Any current owner or operator of a residential home is prohibited from owning, operating, participating in the governance of or working in a residential home, if they have a justified (valid) finding of child abuse and/or neglect against them. If information is known or received by DCFS, that the individual’s name is recorded on the state central registry (SCR) as a perpetrator for a justified (valid) finding of abuse and/or neglect of a child/youth/resident, the individual shall have a determination by the Risk Evaluation Panel or a ruling by the Division of Administrative Law that the individual does not
pose a risk to children/youth/residents in order to continue to operate a residential home.

a. Prospective owners shall complete, sign, and date the state central registry disclosure form and submit the disclosure form to DCFS licensing. If a prospective owner discloses that his or her name is currently recorded as a perpetrator on the state central registry, DCFS shall not proceed with the licensure process. The owner shall request a risk evaluation assessment on the risk evaluation panel form (SCR 2) or shall submit a signed, dated statement that he or she will not be on the premises of the facility at any time. DCFS will resume the licensure process when the owner provides written documentation from the Risk Evaluation Panel or the Division of Administrative Law noting that they do not pose a risk to children or the statement regarding their presence at the child residential facility.

b. Within three business days or no later than the next business day, whichever is shorter, of current owners receiving notice of a justified (valid) determination finding of child abuse and/or neglect against them, an updated state central registry disclosure form (SCR 1) shall be completed by the owner and submitted to Licensing section management staff as required by R.S. 46:1414.1 and submitted to the Licensing Section management staff. The owner will have 10 calendar days from completion of the state central registry disclosure form to request a risk assessment evaluation in accordance with LAC 67:I.305. If on-site at the facility and immediately upon the knowledge that a justified (valid) finding has been issued by DCFS, the owner shall be directly supervised by a paid staff (employee) of the facility, who has not disclosed that their name appears with a justified (valid) finding on the state central registry. Under no circumstances
may the owner with the justified finding be left alone and unsupervised with the children pending the disposition of the Risk Evaluation Panel or the Division of Administrative Law. If not on site at the child residential facility, owner shall submit a signed, dated statement that he or she will not be on the premises of the facility at any time. The owner must request a risk evaluation assessment in accordance with Louisiana Administrative Code 67:I.305 within ten calendar days from completion of the state central registry disclosure form or the license shall be revoked. Immediately upon the knowledge that a justified (valid) finding has been issued by DCFS, the owner, at any and all times when he/she is in the presence of a child/youth/resident, shall be directly supervised by a paid staff (employee) of the residential home. The employee responsible for supervising the owner must have on file a completed state central registry disclosure form indicating that the employee’s name does not appear on the state central registry with a justified (valid) finding of abuse and/or neglect. Under no circumstances may the owner with the justified finding be left alone and unsupervised with a child/youth/resident pending the disposition of the Risk Evaluation Panel or the Division of Administrative Law determination that the owner does not pose a risk to any child/youth/resident in care. An owner supervised by an employee who does not have a satisfactory disclosure form on file as provided in this sub-section shall be deemed to be alone and unsupervised.

i. Any owner with a justified (valid) finding of abuse and/or neglect on the state central registry must submit, together with the SCR 1 required above, a written, signed statement to Licensing Section management staff acknowledging that they are aware of the supervision
requirements and understand that under no circumstances are they to be left alone and unsupervised with a child/youth/resident and that they shall be directly supervised by a paid staff (employee) of the residential home, who has completed the required state central registry disclosure form and who has indicated on that form that the employee’s name does not appear on the state central registry with a justified (valid) finding of abuse and/or neglect on the state central registry.

i. If the Risk Evaluation Panel finds the owner does pose a risk to children and the individual chooses not to appeal the finding, the owner shall not be on the child residential premises at any time.

ii. If the Risk Evaluation Panel finds determines that the owner does pose a risk to children/youth/residents and the individual does not appeal the determination within the required timeframe, the owner may close the business or the license shall be revoked. If the individual appeals the finding to the Division of Administrative Law within the required timeframe, the owner shall continue to be under direct supervision at all times by a paid staff (employee) of the facility who has not disclosed that they have a justified finding on the state central registry until a ruling is made by the Division of Administrative Law that they do not pose a risk to children. Supervision may end upon receipt of the ruling from the Division of Administrative Law that the owner does not pose a risk to children.

iii. If the Risk Evaluation Panel determines that the owner poses a risk to children/youth/residents and the individual appeals the determination to the Division of Administrative Law within the required timeframe, the owner shall continue to be under direct supervision when in the presence of a child/youth/resident on the premises. Supervision...
must continue until receipt of a ruling from the Division of Administrative Law that the owner does not pose a risk to children/youth/residents.

If the Division of Administrative Law (DAL) upholds the Risk Evaluation Panel's finding of determination that the individual does pose a risk to children/youth/residents, the owner shall not be on the child residential premises at any time may voluntarily close the business or the license shall be revoked.

2. Prospective owners shall complete, sign, and date the state central registry disclosure form and submit the disclosure form at the time of application to the DCFS licensing section. If a prospective owner discloses that his or her name is currently recorded as a perpetrator on the state central registry, the application shall be denied unless the owner requests a risk evaluation assessment on the state central registry risk evaluation request form (SCR 2) within the required timeframe. DCFS will resume the licensure process when the owner provides the written determination by the Risk Evaluation Panel or the Division of Administrative Law that they do not pose a risk to children/youth/residents.

a. If the Risk Evaluation Panel determines that the prospective owner poses a risk to children/youth/residents and the individual does not appeal the determination within the required timeframe, the prospective owner shall withdraw the application immediately or the application shall be denied.

b. If the Risk Evaluation Panel determines that the prospective owner poses a risk to children/youth/residents and the individual appeals the determination to the Division of Administrative Law within the required timeframe, the department shall not proceed with the licensure process until a ruling is
made by the Division of Administrative Law that the owner does not pose a risk to children/youth/residents.

   c. If the Division of Administrative Law upholds the Risk Evaluation Panel determination that the individual poses a risk to children/youth/residents, the prospective owner shall withdraw the application within ten business days of the mailing of the DAL decision or the application shall be denied.

3. Any information received or knowledge acquired that a current or prospective owner, operator, volunteer, employee, prospective volunteer, or prospective employee has falsified a state central registry disclosure form stating that they are not currently recorded as a perpetrator with a justified (valid) determination of abuse or neglect shall be reported in writing to Licensing Section management staff as soon as possible, but no later than the close of business on the next business day.

4. Any state central registry disclosure form, Risk Evaluation Panel finding, and Division of Administrative Law ruling that is maintained in a child residential facility residential home licensing file shall be confidential and subject to the confidentiality provisions of R.S. 46:56(F) pertaining to the investigations of abuse and neglect.

M. Retention of Records

1. Documentation of the previous 12 months' activity shall be available for review. Records shall be accessible during the hours the facility is open and operating.

2. For licensing purposes, children’s and resident’s information shall be kept on file a minimum of one year from date of discharge from the program.
3. For licensing purposes, staff records shall be kept on file a minimum of one year from termination of employment from the agency.

4. Records for residents or children in the custody of DCFS shall be kept on file a minimum of five years from the date of discharge from the facility.

5. If the facility closes, the owner of the facility within the state of Louisiana shall store the resident records for five years.

6. All records shall be retained and disposed of in accordance with state and federal laws.

§7108. Corrective Action Plans

A. A corrective action plan (CAP) shall be submitted for any and all deficiencies noted by Licensing Section staff regarding any licensing law or standard, or any other required statute, ordinance, or standard. The request for submission of the CAP does not restrict the actions which may be taken by DCFS. If the department does not specify an earlier timeframe for submitting the CAP, the CAP shall be submitted within 10 calendar days from the date of the inspection or receipt of the deficiencies, if mailed or emailed. The CAP shall include a description of how the deficiency will be corrected, the date by
which correction(s) shall be completed, and outline the steps the provider plans to take in order to prevent further deficiencies from being cited in these areas, and the plan to maintain compliance with the licensing standards. If the CAP is not sufficient and/or additional information is required, the provider shall be notified and informed to submit additional information within three calendar days. If it is determined that all areas of noncompliance or deficiencies have not been corrected, the department may revoke the license.

B. Provider may challenge a specific deficiency or any information within a cited deficiency which the provider contends is factually inaccurate. The provider shall have one opportunity to request a review of a licensing deficiency. A statement of why the deficiency is being disputed and supporting documents (if applicable) shall be submitted with the corrective action plan within the timeframe specified for the submission of the CAP.

C. The statement of deficiencies for which a review has been requested will not be placed on the internet for viewing by the public until a decision has been reached. As a result of the licensing deficiency review request, a deficiency may be upheld with no changes, the deficiency may be removed, or the deficiency may be upheld and revised to include pertinent information that was inadvertently omitted. Once a decision has been reached, provider will be informed in writing of the decision and the reason for the decision. If the deficiency or information within the deficiency was cited in error or the cited deficiency is revised by the DCFS Licensing Section staff, provider will receive a revised “Statement of Deficiencies” with the decision letter. If any enforcement action was imposed solely because of a deficiency or finding that has been deleted.
through the licensing deficiency review process, the action will be rescinded.

HISTORICAL NOTE: Promulgated by the Department of Children and Family Services, Licensing Section, LR 42:

§7109. Administration and Organization

A. General Requirements

1. Once a residential home provider has been issued a license, the department shall conduct licensing and other inspections at intervals deemed necessary by the department to determine compliance with licensing standards, as well as, other required statutes, laws, ordinances, rules, regulations, and fees. These inspections shall be unannounced.

2. The department shall remove any resident, child, or all residents or children from any facility or agency when it is determined that one or more deficiencies exist within the facility that place the health and well-being of children or residents in imminent danger. The children nor residents shall be returned to the facility until such time as it is determined by the department that the imminent danger has been removed.

13. The provider shall allow representatives of the department in the performance of their mandated duties to inspect all aspects of a program's functioning that impact on residents and children and to privately interview any staff member or resident. The department representatives shall be admitted immediately and without delay, and shall be given free access to all relevant files and all areas of a facility, including its grounds. If any portion of a facility is set aside for private use by the facility's owner or staff, department representatives shall be permitted to verify that no residents or children are present in that portion and that the private
areas are inaccessible to residents and children. Any area to which residents or children have or have had access is presumed to be part of the facility and not the private quarters of the owner/operator or staff.

24. The provider shall make any information that DCFS requires the provider is required to have under the present standards and any information reasonably related to determination of compliance with these standards available to the department. The resident's rights shall not be considered abridged by this standard.

25. The provider accepting any resident who resides in another state shall show proof of compliance with the terms of the Interstate Compact on Juveniles, the Interstate Compact on the Placement of Children, and the Interstate Compact on Mental Health. Proof of compliance shall include clearance letters from the compact officers of each state involved.

B. Other Jurisdictional Approvals. The provider shall comply and show proof of compliance with all relevant standards, regulations, and requirements established by federal, state, local, and municipal regulatory bodies including initial and annual approval by the following:

1. Office of Public Health, Sanitarian Services;
2. Office of the State Fire Marshal;
3. city fire department, if applicable;
4. local governing authority or zoning approval, if applicable; and
5. Department of Education, if applicable.

C. Governing Body. The provider shall have an identifiable governing body with responsibility for and authority over the policies, procedures, and activities of the provider.
1. The provider shall have documents identifying all members of the governing body, their addresses, the term of their membership (if applicable), officers of the governing body (if applicable) and the terms of office of all officers (if applicable).

2. When the governing body of a provider is composed of more than one person, the governing body shall hold formal meetings at least twice a year.

3. When the governing body is composed of more than one person, a provider shall have written minutes of all formal meetings of the governing body and bylaws specifying frequency of meetings and quorum requirements.

D. Responsibilities of a Governing Body. The governing body of the provider shall:

1. ensure the provider's compliance and conformity with the provider's charter;

2. ensure the provider's continual compliance and conformity with all relevant federal, state, local and municipal laws and standards;

3. ensure the provider is adequately funded and fiscally sound by reviewing and approving the provider's annual budget or cost report;

4. ensure the provider is housed, maintained, staffed and equipped appropriately considering the nature of the provider's program;

5. designate a person to act as program director and delegate sufficient authority to this person to manage the facility;

6. formulate and annually review, in consultation with the program director, written policies and procedures concerning the provider's philosophy, goals, current services, personnel practices and fiscal management;
7. have the authority to dismiss the program director;
8. meet with designated representatives of the department whenever required to do so;
9. inform designated representatives of the department prior to initiating any substantial changes in the program, services, or physical plant of the provider.

E. Authority to Operate. Current Louisiana residential home license shall be on display in a prominent area at the facility, except for facilities operated by a church or religious organization (RS 46:1406.D) that choose to keep the license on file and available upon request. All homes shall operate within the licensed capacity, age range, and/or other specific services designated on the license.

1. A private provider shall have documentation of its authority to operate under state law.
2. A privately owned provider shall have documentation identifying the names and addresses of owners.
3. A corporation, partnership or association shall identify the names and addresses of its members and officers and shall, where applicable, have a charter, partnership agreement, constitution, and articles of association or bylaws.

F. Accessibility of Program Director. The program director, or a person authorized to act on behalf of the program director, shall be accessible to provider staff or designated representatives of the department at all times (24 hours per day, 7 days per week).

G. Statement of Philosophy and Goals. The provider shall have a written statement describing its philosophy and describing both long-term and short-term goals.

1. The provider shall have a written statement of its’ residential home philosophy, purpose, program, and goals.
The statement shall contain a description of all the services provided to include:

a. the extent, limitation, and scope of the services for which a license is sought;

b. the geographical area to be served; and

c. the ages of residents, ages of children, and types of behaviors to be accepted for placement.

H. Policies and Procedures. The provider shall have written policies and procedures approved by the owner or governing body that address, at a minimum, the following:

1. abuse and neglect;

2. admission and discharge;

3. behavior support and intervention program;

4. complaint process;

5. confidentiality and retention of resident records;

6. emergency and safety;

7. grievance process;

8. human resources;

9. incidents;

10. medication management;

11. provider services;

12. quality improvement;

13. resident funds;

14. rights; and

15. recordkeeping; and

16. children of residents.

I. House Rules and Regulations. The provider shall have a clearly written list of rules and regulations governing conduct for residents and children in care and shall document that these rules and regulations are made available to each staff member,
resident, and, where appropriate, the resident's legal guardian(s).

J. Representation at Hearings. When requested by the placing agency, required by law, the provider shall have a representative present at all judicial, educational or administrative hearings that address the status of a resident or child in care of the provider. The provider shall ensure that the resident is given an opportunity to be present at such hearings, unless prohibited by the resident's legal guardian or by his/her service plan.

HISTORICAL NOTE: Promulgated by the Department of Social Services, Office of Community Service, LR 36:810 (April 2010), amended by the Department of Children and Family Services, Licensing Section, LR 42:

§7111. Provider Responsibilities Requirements

A. Human Resources Provider Responsibilities

1. Policies and Procedures. The provider shall have written policies and procedures that include: Enrichment Activities. Effective August 1, 2016, provider shall assist children at least twice monthly in creating and updating their lifebook. For children that are not developmentally able to participate in the creation and updating of their own lifebook, staff shall create and update for the child.

   a. Lifebooks shall be the property of children and shall remain with the child upon discharge.

   b. Lifebooks shall be available for review by DCFS.

   a. a plan for recruitment, screening, orientation, ongoing training, development, supervision, and
performance evaluation of staff members to include contract services and volunteers;

b. written job descriptions for each staff position including volunteers;

e. health screening of all staff in accordance with public health guidelines to include screening for tuberculosis (TB) and communicable diseases;

d. an employee grievance process;

e. abuse and neglect reporting procedures that require all employees to report any incidents of abuse or neglect whether that abuse or neglect is done by another staff member, a family member, a resident, or any other person; and

f. preventing discrimination.

2. Personnel Requirements

a. The provider shall employ a sufficient number of qualified staff and delegate sufficient authority to such staff to perform the following functions:

i. administrative;

ii. fiscal;

iii. clerical;

iv. housekeeping, maintenance, and food services;

v. direct resident and child services;

vi. record keeping and reporting;

vii. social service; and

viii. ancillary services.

b. The provider shall ensure that all staff members are properly certified or licensed as legally required and appropriately qualified for their position.

c. Personnel can work in more than one capacity as long as they meet all of the qualifications of the position and have met the training requirements.
d. The provider that utilizes volunteers shall be responsible for the actions of the volunteers. Volunteers shall be given a copy of their job description. Volunteers shall:

i. have orientation and training in the philosophy of the facility program and the needs of residents and children and methods of meeting those needs prior to working with residents or children;

ii. have documentation of a fingerprint based satisfactory criminal background check from Louisiana State Police as required in R.S. 15:587.1 and R.S. 46:51.2, and as outlined in Section 7111.A.5.d.ii; and This check shall be obtained prior to the individual being present in the facility or having access to the residents or children. No person who has been convicted of, or pled guilty or nolo contendere to any offense included in R.S. 15:587.1, shall be hired by or present in any capacity in the facility. CBC shall be dated no earlier than 30 days of the individual being present in the facility or having access to the residents or children;

iii. have a completed state central registry disclosure form (SCR 1) prepared by the department noting whether or not his/her name is currently recorded on the state central registry for a justified finding of abuse or neglect and he/she is the named perpetrator as required in R.S. 46.1414.1. SCR 1 shall be dated no earlier than 30 days of the individual being present in the facility or having access to the residents or children;

(a). this information shall be reported prior to the individual being on the premises of the child residential facility and shall be updated annually, at any time upon the request of DCFS, and within three business days of any
staff and/or volunteer receiving notice of a justified (valid) determination of child abuse or neglect;

(b). the prospective non-paid staff (volunteer) shall complete, sign, and date the state central registry disclosure form and submit the disclosure form to the owner or operator of the facility;

(i). if a prospective staff non-paid (volunteer) discloses that his or her name is currently recorded as a perpetrator on the state central registry, the director shall inform the applicant they will not be considered for volunteer duties at that time due to the state central registry disclosure. The director will provide the prospective volunteer with the risk evaluation panel form (SCR 2) so that a risk assessment evaluation may be requested;

(ii). individuals are eligible for volunteer services if and when they provide written documentation from the Risk Evaluation Panel or the Division of Administrative Law noting that they do not pose a risk to children/youth/residents;

(c). current volunteers receiving notice of a justified (valid) determination of child abuse and/or neglect shall complete an updated state central registry disclosure form (SCR 1) noting the existence of the justified (valid) determination as required by R.S. 46:1414.1. This updated SCR 1 shall be submitted to the Licensing Section management staff within three business days or upon being on the child residential premises, whichever is sooner. Volunteers will have ten calendar days from completion of the state central registry disclosure form to request a risk assessment evaluation on a SCR-2 form in accordance with LAC 67:I.305 or shall be terminated immediately;
(i). if the volunteer will no longer be employed at or provide volunteer services at the facility, the provider shall submit a signed, dated statement indicating that the volunteer will not be on the premises of the facility at any time;

(ii). immediately upon the receipt of the knowledge that a justified (valid) finding has been issued by DCFS and as a condition of continued volunteer services, the staff person shall be directly supervised by a paid staff (employee) of the facility who has not disclosed that their name appears with a justified (valid) finding on the state central registry. Provider shall submit a written statement to Licensing Section management staff acknowledging that the volunteer is under continuous direct supervision by a paid staff who has not disclosed that their name appears with a justified (valid) finding on the state central registry. When these conditions are met, the non-paid staff (volunteer) may be counted in child staff ratio. Under no circumstances may the volunteer with the justified finding be left alone and unsupervised with the children/youth/residents pending the disposition by the Risk Evaluation Panel or the Division of Administrative Law that the staff person does not pose a risk to children/youth/residents;

(iii). if the Risk Evaluation Panel finds the individual does pose a risk to children/youth/residents and the individual chooses not to appeal the finding, the non-paid staff (volunteer) shall be terminated immediately;

(iv). if the Risk Evaluation Panel finds the individual does pose a risk to children/youth/residents and the individual appeals the finding to the Division of Administrative Law within the required
timeframe, the non-paid staff (volunteer) shall continue to be under direct supervision at all times by another paid employee of the facility who has not disclosed that they have a justified finding on the state central registry until a ruling is made by the Division of Administrative Law that they do not pose a risk to children/youth/residents. Supervision may end upon receipt of the ruling from the Division of Administrative Law that they do not pose a risk to children/youth/residents;

(v). if the Division of Administrative Law upholds the Risk Evaluation Panel finding that the individual does pose a risk to children/youth/residents, the individual shall be terminated immediately;

(d). any owner, operator, current or prospective employee, or volunteer of a child residential facility requesting licensure by DCFS and/or a child residential facility licensed by DCFS is prohibited from working in a child residential facility if the individual discloses, or information is known or received by DCFS, that the individual’s name is recorded on the state central registry (SCR) as a perpetrator for a justified (valid) finding of abuse or neglect of a child, unless there is a finding by the Risk Evaluation Panel or a ruling by the Division of Administrative Law that the individual does not pose a risk to children/youth/residents.

iv. have three documented reference checks dated within three months prior to beginning volunteer services; as required for regular paid staff.

v. have documentation of a signed and dated job description.

3. Personnel Qualifications
   a. Program Director—the program director shall meet one of the following qualifications:
i. a bachelor's degree in a human service field plus three years experience relative to the population being served. One year of administrative experience in social services may be substituted for two years of regular experience. A master's degree plus two years of social service experience may be substituted for the three years of experience. An alternative may be a bachelor of social work (BSW) degree or professional equivalent with three years experience working with residents, one year of which may be experience in administration; or

ii. a master's degree in health care administration or in a human service related field; or

5. Applicant Screening

a. The provider's screening procedures shall address the prospective employee's qualifications as related to the appropriate job description.

b. Prior to employment, each prospective employee shall complete an employment application. The application/résumé shall contain complete information about an applicant's education, employment history, and criminal background, including any arrests or convictions.

c. Prior to employment, each prospective employee shall complete a state central registry disclosure form prepared by the department as required in RS 46:1414.1. This information shall be reported prior to the individual being on the premises of the child residential facility and shall be updated annually, at any time upon the request of DCFS, and within three business days of any staff receiving notice of a justified (valid) determination of child abuse or neglect.

d. The prospective paid staff (employee) shall complete, sign, and date the state central registry...
disclosure form and submit the disclosure form to the owner or operator of the facility.

(a). If a prospective staff (employee) discloses that his or her name is currently recorded as a perpetrator on the state central registry, the director shall inform the applicant they will not be considered for employment at that time due to the state central registry disclosure. The director will provide the prospective employee with the risk evaluation panel form (SCR 2) so that a risk assessment evaluation may be requested.

(b). Individuals are not eligible for employment unless and until they provide written documentation from the Risk Evaluation Panel or the Division of Administrative Law expressly stating that they do not pose a risk to children.

ii. Current staff receiving notice of a justified (valid) determination of child abuse and/or neglect shall complete an updated state central registry disclosure form (SCR 1) noting the existence of the justified (valid) determination as required by R.S. 46:1414.1. This updated SCR 1 shall be submitted to the Licensing Section management staff within three business days or upon being on the child residential premises, whichever is sooner. Staff will have ten calendar days from completion of the state central registry disclosure form to request a risk assessment evaluation in accordance with LAC 67:I.305 or shall be terminated immediately.

(a). If the staff person will no longer be employed at the facility, the provider shall submit a signed, dated statement indicating that the staff will not be on the premises of the facility at any time.

(b). Immediately upon the receipt of the knowledge that a justified (valid) finding has been issued by DCFS and as a condition of continued employment the staff
person shall be directly supervised by a paid staff (employee) of the facility who has not disclosed that their name appears with a justified (valid) finding on the state central registry. Provider shall submit a written statement to Licensing Section management staff acknowledging that the staff is under continuous direct supervision by a paid staff who has not disclosed that their name appears with a justified (valid) finding on the state central registry. When these conditions are met, the staff (employee) may be counted in child staff ratio. Under no circumstances may the staff person with the justified finding be left alone and unsupervised with the children pending the disposition by the Risk Evaluation Panel or the Division of Administrative Law that the staff person does not pose a risk to children.

(c). If the Risk Evaluation Panel finds the individual does pose a risk to children/youth/residents and the individual chooses not to appeal the finding, the staff (employee) shall be terminated immediately.

(d). If the Risk Evaluation Panel finds the individual does pose a risk to children and the individual appeals the finding to the Division of Administrative Law within the required timeframe, the staff (employee) shall continue to be under direct supervision at all times by another paid employee of the facility who has not disclosed that they have a justified finding on the state central registry until a ruling is made by the Division of Administrative Law that they do not pose a risk to children. Supervision may end upon receipt of the ruling from the Division of Administrative Law that they do not pose a risk to children.

(e). If the Division of Administrative Law upholds the Risk Evaluation Panel finding that the
individual does pose a risk to children, the individual shall be terminated immediately.

iii. Any owner, operator, current or prospective employee, or volunteer of a child residential facility requesting licensure by DCFS and/or a child residential facility licensed by DCFS is prohibited from working in a child residential facility if the individual discloses, or information is known or received by DCFS, that the individual’s name is recorded on the state central registry (SCR) as a perpetrator for a justified (valid) finding of abuse or neglect of a child, unless there is a finding by the Risk Evaluation Panel or a ruling by the Division of Administrative Law that the individual does not pose a risk to children.

d. Prior to employment, a Criminal Background Check will be conducted in the manner required by RS 15:587.1 and 46:51.2.

i. The provider shall have a written policy and procedure for obtaining a criminal background check on persons as required in R.S. 15:587.1 and 46:51.2.

ii. No person, having any supervisory or other interaction with residents or children, shall be hired or on the premises of the facility until such person has submitted his or her fingerprints to the Louisiana Bureau of Criminal Identification and Information and it has been determined that such person has not been convicted of or pled nolo contendere to a crime listed in R.S. 15:587.1(C). This shall include any employee or non-employee who performs paid or unpaid work with the provider to include independent contractors, consultants, students, volunteers, trainees, or any other associated person, as defined in these rules.

iii. Contractors hired to perform work which does not involve any contact with residents shall not be
required to have a criminal background check if accompanied at all times by a staff person if residents are present in the facility.

iv. Any employee who is convicted of or has pled nolo contendere to any crime listed in R.S. 15:587.1(C) shall not continue employment after such conviction or nolo contendere plea.

6. Health Screening

ea. Upon offer of employment, all staff shall be required to obtain a statement of good health signed by a physician or physician's designee. A statement of good health dated within three months prior to offer of employment or within one month after date of employment is acceptable. A health statement is required every three years.

b. All persons prior to or at time of employment shall be free of tuberculosis in a communicable state as evidenced by:

i. a negative Mantoux skin test for tuberculosis;

ii. a normal chest X-ray if the aforementioned skin test is positive; or

iii. a statement from a licensed physician certifying that the individual is non-infectious if the chest X-ray is other than normal.

e. Any employee who has a positive Mantoux skin test for TB, in order to remain employed, shall complete an adequate course of therapy as prescribed by a licensed physician or shall present a signed statement from a licensed physician stating that therapy is not indicated.

6. Contractors

a. Contractors hired to perform work which does not involve any contact with residents or children, shall not be
required to have a criminal background check if accompanied at all times by a staff person if residents or children are present in the facility.

b. Contractors hired to perform work which involves contact with residents or children, shall be required to have documentation of a fingerprint based satisfactory criminal background check from Louisiana State Police as required by R.S. 15:587.1 and R.S. 46:51.2. This check shall be obtained prior to the individual being present in the facility or having access to the residents or children. No person who has been convicted of, or pled guilty or nolo contendere to any offense included in R.S. 15:587.1, shall be hired by or present in any capacity in the facility. Effective August 1, 2016, criminal background checks (CBC) shall be dated no earlier than 30 days of the individual being present in the facility or having access to the residents or children. If an individual has previously obtained a certified copy of their criminal background check obtained from the Louisiana Bureau of Criminal Identification and Information Section of the Louisiana State Police, such certified copy shall be acceptable as meeting the CBC requirements. If a contract staff obtains a certified copy of their criminal background check from the Louisiana State Police, this criminal background check shall be accepted for a period of one year from the date of issuance of the certified copy. This certified copy shall be kept on file at the facility. Prior to the one-year expiration of the certified criminal background check, a new fingerprint-based satisfactory criminal background check shall be obtained from Louisiana State Police. If the clearance is not obtained prior to the one-year expiration of the certified criminal background check, the contract staff is no longer allowed on the premises until a clearance is received.
c. Contractors hired to perform work which involves contact with residents or children, shall be required to have documentation of a state central registry disclosure form (SCR 1) as required by R.S. 46:1414.1. This information shall be reported prior to the individual being on the premises of the facility and shall be updated annually, at any time upon the request of DCFS, and within three business days of the individual receiving notice of a justified (valid) determination of child abuse or neglect. All requirements in §7111.B.2.b shall be followed.

   (i). The prospective paid staff (employee) shall complete, sign, and date the state central registry disclosure form and submit the disclosure form to the owner or operator of the facility.

   (ii). If a prospective staff (employee) discloses that his or her name is currently recorded as a perpetrator on the state central registry, the director shall inform the applicant they will not be considered for employment at that time due to the state central registry disclosure. The director will provide the prospective employee with the risk evaluation panel form (SCR 2) so that a risk assessment evaluation may be requested.

   (iii). Individuals are not eligible for employment unless and until they provide written documentation from the Risk Evaluation Panel or the Division of Administrative Law expressly stating that they do not pose a risk to children/youth/residents.

(b). Current staff receiving notice of a justified (valid) determination of child abuse and/or neglect shall complete an updated state central registry disclosure form (SCR 1) noting the existence of the justified (valid) determination as required by R.S. 46:1414.1. This updated SCR 1 shall be submitted to the Licensing Section management staff within three business days or upon being on the premises,
whichever is sooner. Staff will have 10 calendar days from completion of the state central registry disclosure form to request a risk assessment evaluation on a SCR 2 form in accordance with LAC 67:I.305 or shall be terminated immediately.

(i). If the staff person will no longer be employed at the facility, the provider shall submit a signed, dated statement indicating that the staff will not be on the premises of the facility at any time.

(ii). Immediately upon the receipt of the knowledge that a justified (valid) finding has been issued by DCFS and as a condition of continued employment the staff person shall be directly supervised by a paid staff (employee) of the facility who has not disclosed that their name appears with a justified (valid) finding on the state central registry. Provider shall submit a written statement to Licensing Section management staff acknowledging that the staff is under continuous direct supervision by a paid staff who has not disclosed that their name appears with a justified (valid) finding on the state central registry. When these conditions are met, the staff (employee) may be counted in ratio. Under no circumstances may the staff person with the justified finding be left alone and unsupervised with the children pending the disposition by the Risk Evaluation Panel or the Division of Administrative Law that the staff person does not pose a risk to children/youth/residents.

(iii). If the Risk Evaluation Panel finds the individual does pose a risk to children/youth/residents and the individual chooses not to appeal the finding, the staff (employee) shall be terminated immediately.

(iv). If the Risk Evaluation Panel finds the individual does pose a risk to
children/youth/residents and the individual appeals the finding to the Division of Administrative Law within the required timeframe, the staff (employee) shall continue to be under direct supervision at all times by another paid employee of the facility who has not disclosed that they have a justified finding on the state central registry until a ruling is made by the Division of Administrative Law that they do not pose a risk to children/youth/residents. Supervision may end upon receipt of the ruling from the Division of Administrative Law that they do not pose a risk to children/youth/residents.

(v). If the Division of Administrative Law upholds the Risk Evaluation Panel finding that the individual does pose a risk to children/youth/residents, the individual shall be terminated immediately.

(c). Any owner, operator, current or prospective employee, or volunteer of a facility requesting licensure by DCFS and/or a facility licensed by DCFS is prohibited from working in a facility if the individual discloses, or information is known or received by DCFS, that the individual’s name is recorded on the state central registry (SCR) as a perpetrator for a justified (valid) finding of abuse or neglect of a child, unless there is a finding by the Risk Evaluation Panel or a ruling by the Division of Administrative Law that the individual does not pose a risk to children/youth/residents.

There shall be documentation of acknowledgement of receipt of the list of prohibited practices by the resident and, where appropriate, the resident’s legal guardian(s) in the resident’s record.
§7117. Provider Services

A. Education

1. The provider shall have written policies and procedures to ensure that each resident and child has access to the most appropriate educational services consistent with the resident's and child’s abilities and needs, taking into account his/her age and level of functioning.

2. The provider shall ensure that educational records from the resident's or child’s previous school are transferred to the resident's new educational placement timely.

3. A resident's service plan shall identify if the resident has any disabilities. Residents and children with disabilities shall be identified to the local education agency. If the resident or child is eligible for Individual with Disabilities Education Act (IDEA) services, the provider shall work with the legal guardian to ensure that he or she has a current educational evaluation, an appropriate Individualized Educational Plan (IEP), and surrogate parent to assist him or her in enforcing rights under the IDEA. If the resident or child is eligible for Section 504 accommodations, the provider shall work with the legal guardian.

4. If a resident or child is suspected of having a disability that would qualify him or her for special education services, the provider shall work with the legal guardian to
ensure that a request for a special education evaluation is made and that the local education agency responds appropriately.

5. The provider shall work with the legal guardian and, where applicable, surrogate parent, to identify any deficiencies or problems with a resident's or child’s IEP or individualized accommodations plan (IAP), and to ensure that the resident’s or child’s IEP or IAP is being implemented by the local education agency.

6. Whether educational services are provided on or off-site, all residents and children of school age shall be enrolled in and attending the least restrictive available option of either a school program approved by the Department of Education or an alternative educational program approved by the local school board within three school days of admission to the facility. Children of residents residing in the facility shall attend school off site.

7. The provider shall ensure residents have access to vocational training, GED programs, and other alternative educational programming, if appropriate.

8. Whether educational services are provided on or off-site, the provider shall coordinate residents’ and children’s participation in school-related extra curricular activities, including any related fees or costs for necessary equipment.

9. Whether educational services are provided on or off-site, the provider shall notify the resident's or child’s legal guardian(s) and, where applicable, the resident’s surrogate parent, verbally and in writing within 24 hours of any truancy, expulsion, suspension, or informal removal from school. Notification shall be documented in the resident's or child’s record.
10. All residents and children shall receive a free and appropriate education. If transportation is not provided by the local educational authority for the resident, the provider shall transport the resident to school or other educational program in order for the resident to fulfill the requirements of their educational program.

11. When children are picked up or dropped off at the facility by a public or private school bus or transportation service, staff shall be present to safely escort children to and from the bus.

12. If educational services are provided on-site, the following also apply:

   a. The provider shall provide accommodations for educational services to be provided by the local school district in accordance with local school board calendar. The school classes shall be held in classrooms/multi-purpose rooms. The provider shall ensure that the educational space is adequate to meet the instructional requirements of each resident.

   b. Prior to the end of the first official school day following admission, the resident shall receive a brief educational history screening with respect to their school status, special education status, grade level, grades, and history of suspensions or expulsions. Staff shall use this information to determine initial placement in the facility educational program.

   c. Within three school days of the resident’s arrival at the facility, the provider shall request educational records from the resident’s previous school. If records are not received within 10 school days of the request, the program director shall report in writing on the eleventh day to the local school district from which records were requested that the information has been requested and not received. If the records
are not received within the following seven school days of notifying the local school district, the program director shall file a written complaint with the Board of Elementary and Secondary Education (BESE) on the eighth day.

d. Residents in restricted, disciplinary, or high security units shall receive an education program comparable to youth in other units in the facility consistent with safety needs.

e. When residents are suspended from the facility school, the suspension shall comply with local jurisdiction due process requirements.

f. Behavior intervention plans shall be developed for a resident whose behavior or emotional stability interferes with their school attendance and progress.

g. The provider shall have available reading materials geared to the reading levels, interests, and primary languages of residents.

h. The provider shall ensure that residents are engaged in instruction for the minimum minutes in a school day required by law.

i. The program director shall immediately report in writing to the local school district if the facility school is not being staffed adequately to meet state student to teacher ratios for education, including not but not limited to, special education staff and substitute teaching staff. If the issue is not resolved within five school days by the local school district, then the program director shall file a written complaint on the sixth day with BESE and cooperate with any subsequent directives received from BESE.

B. Milieu (Daily Living) Services

1. Routines
a. The provider shall have a written schedule of daily routines for residents designed to provide for reasonable consistency and timeliness in daily activities, in the delivery of essential services to residents and in the provision of adequate periods of recreation, privacy, rest and sleep.

b. Written schedules of daily routines shall be posted and available to the residents.

c. Daily routines shall be determined in relation to the needs and convenience of the residents who live together.

d. Whenever appropriate, the residents shall participate in making decisions about schedules and routines.

e. The program for daily routines shall be reviewed periodically and revised as the needs of the residents or living group change.

f. The Provider shall develop written policies regarding a daily schedule for children that includes planned/unplanned activities, allowing for flexibility and change. Activities shall accommodate and have due regard for individual needs and differences among children. Children’s routines shall include time daily for indoor and outdoor play (weather permitting) that incorporate free play, gross/fine motor activities and vigorous and quiet activities. Time should also be designated for activities that support children’s development of social, emotional, physical, language/literacy, cognitive/intellectual and cultural skills, as well as for routine occurrences such as meals/snacks, rest time, etc.

2. Personal Possessions

a. The provider shall allow residents and children to bring their personal possessions and display them, when appropriate.
b. Residents and children shall be allowed to acquire possessions of their own in accordance with the resident's service plan. The provider may, as necessary, limit or supervise the use of these items. Where restrictions are imposed, the resident or child shall be informed by staff of the reason of the restriction. The decision and reason shall be recorded in the resident's individual’s record.

c. Each resident and child shall have a secure place to store his/her personal property.

d. Possessions confiscated by staff will be documented to include:

   i. signature of the staff and resident or child;

   ii. date and time of confiscation; and

   iii. date and time when returned to resident or child and signature of resident or child.

e. The provider shall be responsible for all confiscated items, including replacement if the item is damaged, lost, or stolen while in the provider's possession.

f. A log of any valuable personal possessions to include any assistive devices, i.e., hearing aide, glasses, etc., shall be maintained by the provider.

3. Clothing and Personal Appearance

   a. The provider shall ensure that residents and children are provided with clean, well-fitting clothing appropriate to the season and to the resident's individual’s age, sex, and individual needs. Whenever possible, the resident or child should be involved in selecting their clothing.

   b. The provider shall have a written policy concerning any limitations regarding personal appearance. Any limitations should be related to maintaining the safety and well-being of the residents or children receiving services.
c. Clothing and shoes shall be of proper size and adequate in amount to permit laundering, cleaning, and repair.

d. Clothing shall be maintained in good repair.

e. Clothing shall belong to the individual resident or child and not be required to be shared.

f. All clothing provided to a resident or child shall remain with the resident or child upon discharge.

g. The provider shall ensure residents and children have access to adequate grooming services, including haircuts.

4. Independent Life Training

a. The provider shall have a program to ensure that residents receive training in independent living skills appropriate to their age and functioning level. Individualized independent life training goals shall be included in each resident's service plan.

b. This program shall include but not be limited to instruction in:

   i. health and dental care, hygiene and grooming;

   ii. family life;

   iii. sex education including family planning and venereal disease counseling;

   iv. laundry and maintenance of clothing;

   v. appropriate social skills;

   vi. housekeeping;

   vii. use of transportation;

   viii. budgeting and shopping;

   ix. money management;

   x. cooking and proper nutrition;
xi. employment issues, including punctuality and attendance;

xii. use of recreation and leisure time;

xiii. education, college, trade, and/or long-term planning/life goals;

xiv. accessing community services; and

xv. parenting skills.

c. In addition, residents with children shall also receive training in the following topics:

i. parenting preparation classes;

ii. stages of growth in infants, children and adolescents;

iii. day-to-day care of infants, children and adolescents;

iv. disciplinary techniques for infants, children, and adolescents;

v. child-care resources;

vi. stress management;

vii. life skills; and

viii. decision making.

5. Money

a. The provider shall permit and encourage a resident or child, as age appropriate, to possess his/her own money. The provider can give the resident or child an allowance. Older residents should be given the opportunity to earn additional money by providing opportunities for paid work, unless otherwise indicated by the resident's service plan, and reviewed every 30 days by the service plan manager;

b. money earned, or received either as a gift or an allowance by a resident or child, shall be deemed to be that resident's individual’s personal property;
c. limitations may be placed on the amount of money a resident or child may possess or have unencumbered access to when such limitations are considered to be in the resident's individual's best interests and are duly recorded in the resident's service plan or child's record. The reasons for any limitations should be fully explained to residents the resident, child, and their families;

d. the provider shall, as appropriate to the resident's age and abilities, provide training in budgeting, shopping and money management;

e. resident's monetary restitution for damages shall only occur when there is clear evidence of individual responsibility for the damages and the service team approves the restitution. The resident and his/her legal guardian(s) shall be notified in writing within 24 hours of any claim for restitution and shall be provided with specific details of the damages, how, when and where the damages occurred, and the amount of damages claimed. If the amount is unknown, an estimate of the damages shall be provided and an exact figure provided within 30 days. The resident and his/her legal guardian(s) shall be given a reasonable opportunity to respond to any claim for damages. If the provider receives reimbursement for damages either through insurance or other sources, the resident shall not be responsible for restitution;

f. the provider shall maintain a separate accounting of each resident’s or child’s money; and

g. upon discharge, the provider shall provide the resident, child, or legal guardian(s) any outstanding balance.

6. Work

a. The provider shall have a written policy regarding the involvement of residents in work including:
i. description of any unpaid tasks required of residents;

ii. description of any paid work assignments including the pay for such assignments that are at least minimum wage;

iii. description of the provider's approach to supervising work assignments; and

iv. assurance that the conditions and compensation of such work are in compliance with applicable state and federal laws.

b. The provider shall demonstrate that any resident's work assignments are designed to provide a constructive experience and are not used as a means of performing vital provider functions at low cost. All work assignments shall be in accordance with the resident's service plan.

c. The provider shall assign, as unpaid work, age appropriate housekeeping tasks similar to those performed in a normal family home. Any other work assigned shall be compensated. The provider shall ensure that all such employment practices comply fully with state and federal laws and standards. No resident shall be employed in any industrial or hazardous occupation, or under any hazardous conditions.

d. When a resident engages in off-grounds work, the provider shall be responsible for ensuring the resident has access to transportation and other supports needed to perform the work successfully. The provider shall document that:

i. such work is voluntary and in accordance with the resident's service plan;

ii. the service plan manager approves such work;
iii. the conditions and compensation of such work are in compliance with the Fair Labor Standards Act and other applicable state and federal laws; and

iv. such work does not conflict with the resident's program.

C. Food Service

1. The provider shall ensure that a staff person has oversight of the total food service of the facility. This person shall be familiar with nutrition and food service management and shall be responsible for implementation and/or delegation of:
   a. purchasing food according to the approved dietary menu;
   b. oversight of storing and handling of food;
   c. oversight of food preparation;
   d. oversight of food serving;
   e. maintaining sanitary standards in compliance with state and local regulations;
   f. orientation, training, and supervision of food service personnel to include proper feeding techniques as age appropriate;
   g. maintaining a current list of residents and children with special nutritional needs;
   h. having an effective method of recording and transmitting diet orders and changes;
   i. recording information in the resident's or child's record relating to special nutritional needs; and
   j. providing information on residents' and children’s diets to staff.

2. The provider shall have written policies and procedures that ensure that residents and children are, on a daily basis, provided with food of such quality and in such quantity as to meet the recommended daily

Pursuant to RS 49:983 the Office of the State Register may make technical changes to proposed rule submissions in preparing the Louisiana Register and Louisiana Administrative Code.
dietary allowances adjusted for age, gender, and activity of the Food Nutrition Board of the National Research Council United States Department of Agriculture and doesn’t deny any rights of the resident or child. Two of the three meals (breakfast, lunch, supper) served to children shall be hot meals. Residents and children shall also be provided with a snack between meals and prior to bedtime. Breakfast shall be served one hour from when residents awake.

3. The provider shall maintain a master menu, including appropriate substitutions, which is written and approved annually, by a registered dietician.

   a. The provider shall post the written menu at least one week in advance.

   b. Menus shall provide for a sufficient variety of foods, vary from week to week and reflect all substitutions. Any substitution shall be of equal nutritional value. Residents shall be allowed to provide input into these menus.

   c. Written menus and records of foods purchased shall be maintained on record for one year 60 days.

4. The provider shall ensure that any modified diet for a resident or child shall be:

   a. prescribed by the resident’s individual’s physician, approved by the registered dietician, and identified in the resident’s service plan or child’s record; and

   b. planned, prepared, and served by persons who have received instruction on the modified diet.

5. Condiments appropriate for the ordered diet will be available.

6. When meals are provided to staff, the provider shall ensure that staff members eat the same food served to residents or children in care, unless special dietary requirements dictate differences in diet.
7. Food provided to a resident or child shall be in accordance with his/her religious beliefs.

8. No resident or child shall be denied food or force-fed for any reason except as medically required pursuant to a physician's written order. A copy of the order shall be maintained in the resident's individual’s record.

9. There shall be no more than 14 hours between the last meal or snack and the first meal the following day.

10. The provider shall have written policies and procedures to ensure that all food shall be stored, prepared and served under sanitary conditions. The provider shall ensure that:

   a. food served to the resident or child is in appropriate quantity; at appropriate temperatures; in a form consistent with the developmental level of the individual client; and with appropriate utensils;

   b. food served to a resident or child not consumed is discarded;

   c. food and drink purchased shall be of safe quality. Milk and milk products shall be grade A and pasteurized;

   d. perishable foods shall be stored at the proper temperatures according to the local public health department to conserve nutritive values;

   e. food preparation surfaces, utensils, and equipment shall be cleaned according to guidelines by the local public health department.

11. Hand washing facilities, including hot and cold water, soap, and paper towels, shall be provided adjacent to food service work areas.

12. Food shall be stored separate from cleaning supplies and equipment.
12. Food storage areas are free of rodents, roaches, and/or other pests and the provider shall take precautions to ensure such pests do not contaminate food.

13. Persons responsible for food preparation shall not prepare food if they have symptoms of acute illness or an open wound.

14. Information regarding food allergies/special diets shall be posted in the food prep area with special care so that the individual names are not in public view.

15. Children under four years of age shall not have foods that are implicated in choking incidents. Examples of these foods include but are not limited to the following: whole hot dogs, hot dogs sliced in rounds, raw carrot rounds, whole grapes, hard candy, nuts, seeds, raw peas, hard pretzels, chips, peanuts, popcorn, marshmallows, spoonfuls of peanut butter, and chunks of meat larger than what can be swallowed whole.

16. Formula for an infant prepared by or in a residential home shall be prepared in accordance with the instructions of the formula or by the techniques recommended by the physician which shall be on file at the facility.

17. Formula for an infant shall be labeled with the child's name and date of preparation.

18. Formula for an infant shall be refrigerated immediately after preparation and shall not be used more than 24 hours after preparation. The timeframe for use after preparation may be longer than 24 hours if directed by a physician or as documented in the instructions of the formula. The timeframe shall not be extended beyond the physician's recommendation or the instructions of the formula.

19. Formula shall not be heated in a microwave oven.

20. Water shall be given to infants only with written instructions from child’s physician.
21. A child’s bottle shall not be propped at any time.

22. Infants shall be held while being bottle-fed to provide a nurturing, safe feeding experience.

D. Health Related Services

1. Health Care
   a. The provider shall have written policies and procedures for providing preventive, routine and emergency medical and dental care for residents and children and shall show evidence of access to the resources. They shall include, but are not limited to, the following:
      i. ongoing appraisal of the general health of each resident and child;
      ii. provision of health education, as appropriate;
      iii. provision for keeping residents’ immunizations current;
      iv. approaches that ensure that any medical service administered will be explained to the resident or child in language suitable to his/her age and understanding;
      v. an ongoing relationship with a licensed physician, dentist and pharmacist to advise the provider concerning medical and dental care;
      vi. availability of a physician on a 24-hour, seven days a week basis;
      vii. reporting of communicable diseases and infections in accordance with law;
      viii. procedures for ensuring residents and children know how and to whom to voice complaints about any health issues or concerns.

2. Medical Care
a. The provider shall arrange a medical examination by a physician for the resident or child within a week of admission unless the resident or child has received such an examination within 30 days before admission and the results of this examination are available to the provider. If the resident or child is being transferred from another CRF residential home and has had a physical examination within the last 12 months, a copy of this examination can be obtained to meet the requirement of the admission physical. The physical examination shall include:

i. an examination of the resident or child for any physical injury, physical disability and disease;

ii. vision, hearing and speech screening; and

iii. a current assessment of the resident's or child's general health.

b. The provider shall arrange an annual physical examination of all residents and children.

c. Whenever indicated, the resident or child shall be referred to an appropriate medical specialist for either further assessment or service, including gynecological services for female residents or children. The provider shall schedule such specialist care within 30 days of the initial exam. If the specialist’s service needed is a result of a medical emergency, such care shall be obtained immediately.

d. The provider shall ensure that a resident or child receives timely, competent medical care when he/she is ill or injured. The provider shall notify the resident’s legal guardian, verbally and/or in writing, within 24 hours of a resident's or child’s illness or injury that requires service from a physician or hospital. The notification shall include the nature of the injury or illness and any service required.
e. Records of all medical examinations, follow-ups and services, together with copies of all notices to legal guardian(s) shall be kept in the resident's or child’s record.

3. Dental Care

a. The provider shall have written policies and procedures for providing comprehensive dental services to include:

i. provision for dental service;

ii. provision for emergency service on a 24-hour, seven days a week basis by a licensed dentist;

iii. a recall system specified by the dentist, but at least annually;

iv. dental cleanings annually; and

v. training and prompting for residents and children to brush their teeth at least twice per day.

b. The provider shall arrange a dental exam for each resident and child within 90 days of admission unless the resident or child has received such an examination within six months prior to admission and a copy of the examination is obtained by the provider. The results of this examination shall be made available to the provider. Children shall begin receiving annual examinations at the eruption of their first tooth and no later than 12 months of age.

c. Records of all dental examinations, follow-ups and service shall be documented in the resident's record.

d. The provider shall notify the resident's legal guardian(s), verbally and/or in writing, within 24 hours when a resident or child requires or receives dental services of an emergency nature. The notification shall include the nature of the dental condition and any service required. Notification shall be documented in the record.
4. Immunizations
   a. The provider shall have written policies and procedures regarding immunizations to ensure that:
      i. within 30 days of admission, the provider shall obtain documentation of a resident's or child’s immunization history, ensuring that the resident and child have received and will receive all appropriate immunizations and booster shots that are required by the Office of Public Health;
      ii. the provider shall maintain a complete record of all immunizations received in the resident's or child’s record.

5. Medications
   a. The provider shall have written policies and procedures that govern the safe administration and handling of all medication, to include the following:
      i. a system for documentation and review of medication errors;
      ii. self-administration of both prescription and nonprescription medications;
      iii. handling medication taken by residents and children on pass; and
      iv. a plan of action for residents and children who require emergency medication (e.g., Epipen, Benadryl).
   b. The provider shall have a system in place to ensure that there is a sufficient supply of prescribed medication available for each resident and child at all times.
   c. The provider shall ensure that medications are either self-administered or administered by persons with appropriate credentials, training, and expertise according to state law.
i. Effective August 1, 2016, all staff members who administer medication to residents or children under five years of age shall have medication administration training. However, providers licensed to care for children of residents or licensed to care for children under five years of age shall have staff trained in medication administration. Trained staff shall be scheduled for each shift when children of residents under five years of age are present in the facility.

Training shall be obtained every two years from an approved Child Care Health Consultant. By virtue of his/her current license, a licensed practical nurse (LPN) or registered nurse (RN) shall be considered to have medication administration training.

d. There shall be written documentation requirements for the administration of all prescription and non-prescription medication, whether administered by staff, supervised by staff or self-administered. This documentation shall include:

i. resident's or child’s name, date, medication name, dosage, and time administered;

ii. signature of person administering medication, if other than resident; and

iii. signature of person witnessing resident or child self administer medication, if applicable.

iii. refusal to take medication; and

iv. reason for refusal; if applicable.

e. When residents administer medication to their own children, the medication administration record shall be documented by either the resident or by facility staff as indicated in §7117.D.5.d.

f. If prescription medication is not administered as prescribed or resident or child refuses to take
medication, the physician ordering the medication shall be immediately notified and documentation noted to include:

i. resident's or child’s name, date, and time;

ii. medication name and dosage;

ii. person attempting to administer medication, if other than resident or child;

iii. reason for refusal or medication not being given as prescribed;

iv. name of staff notifying physician’s office;

v. date and time of notification to physician’s office; and

vi. name of person notified and next steps, if applicable.

The provider shall ensure that any medication given to a resident or child for therapeutic and/or medical purposes is in accordance with the written order of a physician.

i. There shall be no standing orders for prescription medications.

ii. There shall be standing orders, signed by the physician, for nonprescription medications with directions from the physician indicating when he/she is to be contacted. The physician shall update standing orders annually.

iii. Copies of all written orders shall be maintained in the resident's or child’s record.

iv. Medication shall not be used as a disciplinary measure, a convenience for staff, or as a substitute for adequate, appropriate programming.

v. Prescription medications shall be reviewed and renewed on at least an annual basis.
 Residents and children shall be informed of any changes to their medications, prior to administration of any new or altered medications.

 Residents, staff, and, where appropriate, residents' legal guardian(s) are educated on the potential benefits and negative side effects of the medication and are involved in decisions concerning the use of the medication.

 The provider shall ensure that the prescribing physician is immediately informed of any side effects observed by staff, or any medication errors. Any such side effects or errors shall be promptly recorded in the resident's or child’s record and the legal guardian(s) shall be notified verbally or in writing within 24 hours.

 Discontinued and outdated medications and containers with worn, illegible, or missing labels shall be properly disposed of according to state law.

 Medications shall be stored under proper conditions of sanitation, temperature, light, moisture, ventilation, segregation, and security.

 i. External medications and internal medications shall be stored on separate shelves or in separate cabinets.

 ii. All medication, including refrigerated medications, shall be kept under lock and key. Refrigerated medication shall be stored in a secure container with a lid to prevent access by children and avoid contamination of food.

 Psychotropic medications shall be reviewed and renewed at least every 90 days by a licensed physician.

 All medications shall be maintained in the original container/packaging as dispensed by the pharmacist.
o. A plan of care shall be developed for each resident or child who requires emergency medication (e.g., Epipen, Benadryl). The plan of care shall include:
   i. method of administration;
   ii. symptoms that would indicate the need for the medication;
   iii. actions to take once symptoms occur;
   iv. description of how to use the medication; and
   v. signature and date of program director or medical personnel.

p. Medication administration records for emergency medication shall be maintained in accordance with §7117.D.5.d and shall also include the following:
   i. symptoms noted that indicated the need for the medication;
   ii. actions taken once symptoms occurred;
   iii. description of how medication was administered;
   iv. signature (not initials) of the staff member who administered the medication; and
   v. notification to legal guardian (date, time, and signature of person who contacted the legal guardian) following the administration of the emergency medication.

q. If the non-prescription medication label reads “to consult physician”, a written authorization from a Louisiana, or adjacent state, licensed medical physician or dentist, shall be on file in order to administer the medication, and shall include the following information:
   i. child’s name;
   ii. date of authorization;
   iii. medication name and strength; and
iv. clear directions for use, including the route (e.g., oral, topical), dosage, and frequency, time, or schedule of medication.

6. Professional and Specialized Services
   a. The provider shall monitor that residents and children receive specialized services to meet their needs; these services shall include but are not limited to:
      i. physical/occupational therapy;
      ii. speech pathology and audiology;
      iii. psychological and psychiatric services;
      iv. social work services;
      v. individual, group and family counseling; and
      vi. substance abuse counseling/drug or alcohol addiction treatment.
   b. The provider shall monitor that all providers of professional and special services:
      i. record all significant contacts with the resident or child;
      ii. provide quarterly written summaries of the resident's or child's response to the service, the resident's or child's current status relative to the service, and the resident's or child’s progress;
      iii. participate, as appropriate, in the development, implementation, and review of resident’s service plans and aftercare plans and in the interdisciplinary team responsible for developing such plans;
      iv. provide services appropriately integrated into the overall program and provide training to direct service staff as needed to implement service plans;
v. provide resident assessments/evaluations as needed for service plan development and revision.

c. The provider shall monitor that any provider of professional or special services (internal or external to the facility) meets the criteria noted below:

i. have adequately qualified and, where appropriate, currently licensed or certified staff according to state or federal law;

ii. have adequate space, facilities, and privacy;

iii. have appropriate equipment, supplies, and resources.

d. The providers shall ensure that residents and children are evaluated for specialized services in a timely manner when a need is identified.

E. Recreation

1. The provider shall have a written policy and procedure for a recreation program that offers indoor and outdoor activities in which participation can be encouraged and motivated on the basis of individual interests and needs of the residents and children and the composition of the living group.

2. The provider shall provide recreational services based on the individual needs, interests, and functioning levels of the residents and children served. In planning recreational programs and activities, staff should assess the ages, interests, abilities and developmental and other needs of the residents and children served to determine the range of activities that are safe and appropriate. Residents and children shall be allowed time to be alone and to engage in solitary activities that they enjoy. There should be opportunities for group activities to develop spontaneously, such as group
singing, dancing, storytelling, listening to records, games, etc. Recreational activities should be planned throughout the week.

3. Recreational objectives shall be included in each resident’s service plan. Residents should be involved in planning and selecting activities as part of their individual service plan.

4. There shall be evidence that staff participating in recreation activities with the residents are appropriately informed of the resident's needs, problems, and service plans; communicate routinely with other direct service staff concerning residents; and have a means of providing input.

5. The provider shall provide adequate recreation and yard spaces to meet the needs and abilities of its clients, residents and children regardless of their disabilities. Recreation equipment and supplies shall be of sufficient quantity and variety to carry out the stated objectives of the provider's recreation plan. Recreational equipment should be selected in accordance with the number of residents and children, clients, their ages and needs, and should allow for imaginative play, creativity, and development of leisure skills and physical fitness.

6. The provider shall utilize the recreational resources of the community whenever appropriate. The provider shall arrange the transportation and supervision required for maximum usage of community resources. Unless the restriction is part of the facility's master behavior program plan, access to such community resources shall not be denied or infringed except as may be required as part of the resident's service plan. Any such restrictions shall be specifically described in the service plan, together with the reasons such restrictions are necessary and the extent and duration of such restrictions.
F. Transportation

1. The provider shall have written policies and procedures to ensure that each resident is provided with transportation necessary to meet his/her needs as identified in the individualized service plan.

2. The provider shall have means of transporting residents and children in cases of emergency.

3. The provider shall ensure and document that any vehicle used in transporting residents or children, whether such vehicle is operated by a staff member or any other person acting on behalf of the provider, is inspected and licensed in accordance with state law and carries current liability insurance. All vehicles used for the transportation of residents or children shall be maintained in a safe condition and in conformity with all applicable motor vehicle laws. Preventative maintenance shall be performed on a monthly basis to ensure the vehicles are maintained in working order. The provider shall maintain documentation supporting adherence to vehicle maintenance schedules and other services as indicated.

4. Any staff member of the provider or other person acting on behalf of the provider, operating a vehicle for the purpose of transporting residents or children shall maintain a current driver's license. The staff member operating the vehicle shall have the applicable type of driver's license to comply with the current motor vehicle laws.

5. The provider shall not allow the number of persons in any vehicle used to transport residents to exceed the number of available seats in the vehicle. The provider shall not transport residents nor children in the back or the bed of a truck.
6. The provider shall conform to all applicable state motor vehicle laws regarding the transport of residents and children.

7. The provider shall ensure that residents and children being transported in the vehicle are properly supervised while in the vehicle and during the trip. Residents nor children are to be unattended in the vehicle.

8. Vehicles used to transport residents and children shall not be identified in a manner that may embarrass or in any way produce notoriety for residents or children.

9. The provider shall ascertain the nature of any need or problem of a resident or child that might cause difficulties during transportation, such as seizures, a tendency toward motion sickness, or a disability. The provider shall communicate such information to the operator of any vehicle transporting residents or children.

10. The following additional arrangements are required for a provider serving residents or children with physical limitations:

   a. a ramp device to permit entry and exit of a resident or child from the vehicle shall be provided for all vehicles except automobiles normally used to transport physically handicapped residents or children. A mechanical lift may be utilized if a ramp is also available in case of emergency;

   b. in all vehicles except automobiles, wheelchairs used in transit shall be securely fastened to the vehicle;

   c. in all vehicles except automobiles, the arrangement of the wheelchairs shall provide an adequate aisle space and shall not impede access to the exit door of the vehicle.
11. No resident or child shall be transported in any vehicle unless age appropriate child restraints are utilized. In addition, transportation arrangements shall conform to state laws, including but not limited to those requiring the use of seat belts and child restraints.

12. Only one resident or child shall be restrained in a single safety belt.

13. The vehicle shall be maintained in good repair as evidenced by:
   a. ventilation and heating systems shall be operational and used to maintain a comfortable temperature during transport.
   b. The vehicle’s engine shall be maintained in working mechanical order.
   c. The vehicle’s interior shall be clean and free of trash and debris.
   d. The vehicle’s seat coverings shall be in good repair.

14. The use or possession of alcohol, tobacco in any form, illegal substances or unauthorized potentially toxic substances, firearms (loaded or unloaded), or pellet or BB guns (loaded or unloaded) in any vehicle used to transport residents or children is prohibited.

15. The number of persons in a vehicle used to transport residents or children shall not exceed the manufacturer's recommended capacity.

16. The provider shall maintain a copy of a valid appropriate Louisiana driver's license for all individuals who drive vehicles (staff, contracted persons, etc.) used to transport residents or children.

17. The vehicle shall have evidence of a current safety inspection.
18. A visual inspection of the vehicle is required to ensure that no child was left on the vehicle. A staff person shall physically walk through the vehicle and inspect all seat surfaces, under all seats, and in all enclosed spaces and recesses in the vehicle’s interior. The staff conducting the visual check shall record the time of the visual check inspection and sign his or her full name, indicating that no child was left on the vehicle. For field trips, staff shall check the vehicle and conduct a face-to-name count conducted prior to leaving facility for the destination, when destination is reached, before departing destination for return to facility, and upon return to facility. For all other transportation, the staff shall inspect the vehicle at the completion of each trip prior to the staff person exiting the vehicle.

HISTORICAL NOTE: Promulgated by the Department of Social Services, Office of Community Service, LR 36:823 (April 2010), amended by the Department of Children and Family Services, Division of Programs, Licensing Section, LR 38:985 (April 2012), amended by the Department of Children and Family Services, Licensing Section, LR 42:

§7119. Physical Environment

A. Physical Appearance and Conditions

1. The provider shall maintain all areas of the facility accessible to residents and children in good repair and free from any reasonably foreseeable hazard to health or safety. All structures on the grounds of the facility shall be maintained in good repair.

2. The provider shall have an effective pest control program to prevent insect and rodent infestation.
3. The provider shall maintain the grounds of the facility in good condition.
   a. Garbage and rubbish stored outside shall be secured in noncombustible, covered containers and shall be removed on at least a weekly basis.
   b. Trash collection receptacles shall be separate from play area.
   c. Fences shall be in good repair.
   d. Areas determined to be unsafe, including steep grades; cliffs, open pits, swimming pools, high voltage boosters or high-speed roads (45 mph or higher) shall be fenced or have natural barriers to protect residents and children.
   e. Playground equipment shall be so located, installed, and maintained as to ensure the safety of residents and children.

4. Residents and children shall have access to safe, suitable, outdoor recreational space and age appropriate equipment.

5. The provider shall have at least 75 square feet of accessible exterior space for each resident. The exterior space shall be adequate to accommodate one-half the licensed capacity of the facility.

6. The outdoor play space used by children shall be enclosed with a permanent fence or other permanent barrier in such a manner as to protect the children from traffic hazards, to prevent the children from leaving the premises without proper supervision, and to prevent contact with animals or unauthorized persons.

7. All air conditioning/heating units, mechanical equipment, electrical equipment, or other hazardous equipment shall be inaccessible to children.
8. Culverts are prohibited within outdoor play spaces.

9. Areas where there are open cisterns, wells, ditches, fish ponds, swimming pools, and other bodies of water shall be made inaccessible to children by fencing and locked gates.

10. All equipment used by children shall be maintained in a clean, safe condition and in good repair.

11. Poisons, cleaning supplies, harmful chemicals, equipment, tools, kitchen knives or potentially dangerous utensils, and any substance with a warning label stating it is harmful to or that is should be kept out of reach of children, shall be locked away from and inaccessible to children. Whether these items are in a cabinet or in an entire room, the area shall be locked.

B. Interior Space

1. The provider shall have policies and procedures to ensure that the facility maintains a safe, clean, orderly, and homelike environment.

2. All equipment, furnishings, and interior spaces shall be clean and maintained at all times. The provider shall have a program in place to monitor regular maintenance, preventative maintenance, cleaning and repair of all equipment and furnishings that is performed on a routine basis. Written documentation of the maintenance and cleaning program activities shall be maintained by administration to include cleaning schedules and reports of repairs.

3. The facility shall have sufficient living and program space available for residents and children to gather for reading, study, relaxation, structured group activities, and visitation. Space shall be available that allows for confidentiality for family visits, counseling, groups, and
meetings. The living areas shall contain such items as television, stereo, age-appropriate books, magazines, and newspapers.

4. A facility shall have a minimum of 60 square feet of unencumbered floor area per resident in living and dining areas accessible to residents and excluding halls, closets, bathrooms, bedrooms, staff or staff's family quarters, laundry areas, storage areas and office areas.

5. Each child shall be provided with an opportunity to safely and comfortably sit, crawl, toddle, walk, and play according to the child’s stage of development and in a designated space apart from sleeping quarters each day in order to enhance development.

6. Computers that allow internet access by the children shall be equipped with monitoring or filtering software, or an analogous software protection, that limits children’s access to inappropriate web sites, e-mail, and instant messages.

7. Programs, movies, and video games shall be age appropriate.

8. A variety of books, educational materials, toys, and play materials shall be provided, organized, and displayed within children’s reach so that they may select and return items independently.

9. For providers licensed to care for children of residents, at least one corded land line capable of incoming and outgoing calls for emergency purposes shall be accessible at all times at the facility.

C. Dining Areas

1. The provider shall have dining areas that permit residents, children, staff, and guests to eat together and create a homelike environment.
2. Dining areas shall be clean, well lit, ventilated, and equipped with dining tables and appropriate seating for the dining tables.

3. High chairs shall be used in accordance with the manufacturer’s instructions including restrictions based on age and minimum/maximum weight of infants and children. Staff shall ensure that the high chair manufacturer’s restraint device is used when children are sitting in the high chair. Children who are too small or too large to be restrained using the manufacturer’s restraint device shall not be placed in the high chair. Provider shall take into account the child’s developmental stage, tolerances, and ability to sit up safely by themselves.

D. Bedrooms

1. Each resident and child shall have his/her own designated area for rest and sleep.

2. The provider shall ensure that each single occupancy bedroom space has a floor area of at least 70 square feet of unencumbered space and that each multiple occupancy bedroom space has a floor area of at least 60 square feet of unencumbered space for each occupant.

3. The provider shall not use a room with a ceiling height of less than 7 feet 6 inches as a bedroom space. In a room with varying ceiling height, only portions of the room with a ceiling height of at least 7 feet 6 inches are allowed in determining usable space.

4. The provider shall not use any room that does not have a window as a bedroom space. The bedroom space for residents and children shall be decorated to allow for the personal tastes and expressions of the residents and children.

5. Any provider that licenses beds subsequent to April 2012, the effective date of these revised standards shall
have bedroom space that does not permit more than two residents per designated bedroom space. All others shall not exceed four residents to occupy a designated space.

6. No resident over the age of five years shall occupy a bedroom with a member of the opposite sex, unless that individual is the resident’s parent in accordance with R.S. 46:1403.

7. The provider shall ensure that the age of residents sharing bedroom space is not greater than four years in difference unless contraindicated based on family dynamics.

8. Each resident and child age one year and above shall have his/her own bed. A resident’s bed shall be longer than the resident or child is tall, no less than 30 inches wide, and shall have a clean, comfortable, nontoxic, fire retardant mattress.

9. The provider shall ensure that sheets, pillow, bedspread, and blankets are provided for each resident and child:
   a. enuretic residents and children shall have mattresses with moisture resistant covers; and
   b. sheets and pillowcases shall be changed at least weekly, but shall be changed more frequently if necessary. Sheets and coverings shall be changed immediately when soiled or wet.

10. Each resident shall have a solidly constructed bed. Cots or other portable beds shall be used on an emergency basis only. The provider shall request a variance from the department if a cot or portable bed is to be in use for longer than one week.

11. All bunk beds in use in a residential home shall be equipped with safety rails on the upper tier for a child under the age of 10, or for any child whose physical, mental, or
emotional condition indicates the need for such protection. A child under six years of age shall not sleep on the upper bunk of a bunk bed. No beds shall be bunked higher than two tiers. The provider shall ensure that the uppermost mattress of any bunk bed in use shall be far enough from the ceiling to allow the occupant to sit up in bed.

12. Each resident and child shall have his/her own nightstand and dresser or other adequate storage space for private use in the bedroom.

13. There shall be a closet for hanging clothing in proximity to the bedroom occupied by the resident and child. For beds licensed after April 2012 the effective date of these standards, there shall be a closet for hanging clothing within the bedroom or immediately adjacent to the bedroom. The closet shall not be within a bathroom.

14. The bedroom space for residents shall be decorated to allow for the personal tastes and expressions of the residents.

14. No resident and her child shall share a bedroom with another resident.

15. A resident shall not be allowed to sleep in the same bed with her child.

E. Bathrooms

1. The facility shall have an adequate supply of hot and cold water. The hot water source shall have a scald control mechanism in place.

2. The facility shall have toilets and baths or showers that allow for individual privacy. For beds licensed after April 2012, the effective date of these standards, the following ratio shall be met. Whenever calculations include any fraction of a fixture, the next higher whole number of fixtures shall be installed.

3. Bathrooms shall be so placed as to allow access without disturbing other residents or children during sleeping hours.

4. Each bathroom shall be properly equipped with toilet paper, towels, and soap.

5. Tubs and showers shall have slip proof surfaces.

6. Bathrooms shall contain mirrors secured to the walls at convenient heights and other furnishings necessary to meet the residents' and children's basic hygienic needs.

7. Each resident and child shall be provided personal hygiene items such as hairbrushes, toothbrushes, razors, etc.

8. Bathrooms shall be equipped to facilitate maximum self-help by residents and children. Bathrooms shall be large enough to permit staff assistance of residents and children, if necessary.

9. Toilets, washbasins, and other plumbing or sanitary facilities in a facility shall be maintained in good operating condition and conform to the requirements of the state sanitary code.

F. Kitchens

1. Kitchens used for meal preparations shall be provided with the necessary equipment for the preparation, storage, serving and clean up of all meals for all of the residents, children, and staff regularly served. All equipment shall be maintained in proper working order.

2. The provider shall not use disposable dinnerware at meals except for special occasions such as picnics or
barbecues or in an emergency situation unless the facility documents that such dinnerware is necessary to protect the health or safety of residents or children in care.

3. The provider shall ensure that all dishes, cups, and glasses used by residents and children in care are free from chips, cracks, or other defects and are in sufficient number to accommodate all the residents.

4. Animals, other than those used as service animals, shall not be permitted in food storage, preparation, and dining areas.

G. Laundry Space. The provider shall have a laundry space complete with washer and dryer.

H. Staff Quarters. The provider utilizing live-in staff shall provide adequate, separate living space with a private bathroom for these staff and their children.

I. Administrative and Discussion Space
   1. The provider shall provide a space that is distinct from residents' and children's living areas to serve as an administrative office for records, secretarial work, and bookkeeping.
   2. The provider shall have a designated space to allow private discussions between individual residents, children, and staff.
   3. There shall be a covering on the window.

J. Furnishings
   1. The provider shall have comfortable customary furniture as appropriate for all living areas. Furniture for the use of residents and children shall be appropriately designed to suit the size and capabilities of these residents and children.
   2. The provider shall replace or repair broken, run-down, or defective furnishings and equipment promptly.

K. Doors and Windows

Pursuant to RS 49:983 the Office of the State Register may make technical changes to proposed rule submissions in preparing the Louisiana Register and Louisiana Administrative Code.
1. When opened, all windows that can be opened shall have insect screening. This screening shall be readily removable in emergencies and shall be in good repair.

2. All closets, bedrooms, and bathrooms shall have doors that allow egress from both sides.

3. Each window shall have a covering to provide privacy unless otherwise stipulated in the service plan.

L. Storage

1. The provider shall ensure that there are sufficient and appropriate storage facilities.

2. The provider shall have securely locked storage space for all potentially harmful materials. Keys to such storage spaces shall only be available to authorized staff members.

M. Electrical Systems

1. The provider shall ensure that all electrical equipment, wiring, switches, sockets, and outlets are maintained in good order and safe condition.

2. The provider shall ensure that any room, corridor, or stairway within a facility shall be well lit.

3. The provider shall ensure that exterior areas are well lit when dark.

N. Heating, Ventilation and Air Conditioning (HVAC)

1. The facility shall provide safe HVAC systems sufficient to maintain comfortable temperatures with a minimum of 65 degrees and maximum 80 degrees fahrenheit in all indoor public and private areas in all seasons of the year;

2. All gas heating units must bear the stamp of approval of the American Gas Association Testing Laboratories, Inc., or other nationally recognized testing agency for enclosed, vented heaters for the type of fuel used.
3. All gas heating units and water heaters must be vented adequately to carry the products of combustion to the outside atmosphere. Vents must be constructed and maintained to provide a continuous draft to the outside atmosphere in accordance with the recommended procedures of the American Gas Association Testing Laboratories, Inc.

42. All heating units must be provided with a sufficient supply of outside air so as to support combustion without depletion of the air in the occupied room. The provider shall not use open flame heating equipment.

53. The use of portable heaters by the facility and residents, staff, and children are strictly prohibited, unless in an emergency situation.

64. The provider shall take all reasonable precautions to ensure that heating elements, including exposed hot water pipes, are insulated and installed in a manner that ensures the safety of residents and children.

O. Safe Sleep Practices and Infant Furnishings

1. Only one infant shall be placed in each crib. All infants shall be placed on their backs for sleeping.
   a. Written authorization from the child’s physician is required for any other sleeping position. A notice of exception to this requirement shall be posted on or near the baby’s crib and shall specify the alternate sleep position.
   b. Written authorization from the child’s physician is required for a child to sleep in a car seat or other similar device and shall include the amount of time that the child is to remain in said device. The written authorization shall be updated every three months and as changes occur.

2. Infants shall not be placed in positioning devices for sleeping unless the child has a note on file from the child’s physician authorizing the device.
3. Infants who use pacifiers will be offered their pacifier when they are placed to sleep and it shall not be placed back in the mouth once the child is asleep.

4. Bibs shall not be worn by any child while asleep.

5. Infants shall not sleep in an adult bed, on a couch, or in a chair.

6. A safety-approved crib shall be made available for each infant.
   b. A crib meets the requirements of this section if:
      i. the crib has a tracking label which notes that the crib was manufactured on or after June 28, 2011; or
      ii. the provider has a registration card which accompanies the crib and notes that the crib was manufactured on or after June 28, 2011; or
      iii. the provider has obtained a Children’s Product Certificate (CPC) certifying the crib as meeting requirements for full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1219, or non full-size cribs as defined in 16 CFR 1220.

7. Each crib shall be equipped with a firm mattress and well fitting sheets. Mattresses shall be of standard size so that the mattress fits the crib frame without gaps of more than one-half inch. Homemade mattresses are prohibited.
8. The minimum height from the top of the mattress to the top of the crib rail shall be 20 inches at the highest point.

9. The mattress support system shall not be easily dislodged from any point of the crib by an upward force from underneath the crib.

10. Stackable cribs are prohibited.

11. Children sleeping in playpens or mesh-sided cribs is prohibited.

12. Cribs shall be free of toys and other soft bedding, including blankets, comforters, bumper pads, pillows, stuffed animals, and wedges when the child is in the crib.

13. Nothing shall be placed over the head or face of the infant.

14. While residents are awake, napping infants shall be checked on at least every 30 minutes.

P. Care of Children

1. Diapers shall be changed when wet or soiled.

2. While awake, children shall not remain in a crib/baby bed, swing, high chair, carrier, playpen, etc., for more than 30 consecutive minutes.

3. Pacifiers attached to strings or ribbons shall not be placed around a child’s neck or attached to a child’s clothing.

4. Staff shall adhere to proper techniques for lifting a child. Staff shall not lift a child by one or both of child’s arms.

5. Children shall be changed and cleaned immediately following a toileting accident.

6. A child’s request for toileting assistance shall be responded to promptly.
§7121. Emergency Preparedness

A. Emergency Plan

1. The provider, in consultation with appropriate state or local authorities, shall establish and follow a written multi-hazard emergency and evacuation plan to protect residents and children in the event of any emergency. The written overall plan of emergency procedures shall provide for the following:

   a. provide for the evacuation of residents and children to safe or sheltered areas. Evacuation plans shall include procedures for addressing both planned and unplanned evacuations and to alternate locations within the city and long distance evacuations;

   b. provide for training of staff and, as appropriate, residents and children in preventing, reporting, and responding to fires and other emergencies. The plan shall be reviewed with all staff at least annually. Documentation evidencing that the plan has been reviewed with all staff shall include staff signatures and date reviewed;

   c. provide for training of personnel staff in their emergency duties for all types of emergencies and the use of any fire fighting or other emergency equipment in their immediate work areas;
d. provide for providing adequate staffing in the event of an emergency;

e. ensure ensuring access to medication and other necessary supplies or equipment;

f. include shelter in place, lock down situations, and evacuations with regard to natural disasters, manmade disasters, bomb threats, and national security threats;

h. include a system to account for all residents and children whether sheltering in place, locking down, or evacuating to a pre-determined relocation site;

i. include lock down procedures for situations that may result in harm to persons inside the facility, including but not limited to a shooting, hostage incident, intruder, trespassing, disturbance, or any situation deemed harmful at the discretion of the program director or public safety personnel;

j. account for residents and children and ensure that no one leaves the designated safe area in a lock down situation. Staff shall secure facility entrances, ensuring that no unauthorized individual enters the facility;

k. include an individualized emergency plan (including medical contact information and additional supplies/equipment needed) for each resident and child with special needs;

l. ensure that residents and children who are prescribed prescription medication are able to receive medication if evacuated from facility;
m. include plans for nuclear evacuation if the facility is located within a 10-mile radius of a nuclear power plant or research facility;

n. include emergency contact information for staff in the event evacuation from the facility is necessary.

2. At a minimum, the plan shall be reviewed annually by the program director for accuracy and updated as changes occur. Documentation of review by the program director shall consist of the program director’s signature and date;

3. The emergency and evacuation plan shall by submitted to Licensing at least annually, any time changes are made, and upon the request of Licensing.

4. If evacuation of children from the facility is necessary, provider shall have an evacuation pack and all staff shall know the location of the pack. The contents shall be replenished as needed. At a minimum, the pack shall contain the following:

   a. hand sanitizer;
   b. wet wipes;
   c. tissue;
   d. diapers for children who are not yet potty trained;
   e. plastic bags;
   f. food for all ages of children, including infant food and formula;
   g. disposable cups; and
   h. bottled water.

NOTE: For additional information contact the Office of Emergency Preparedness (Civil Defense) in your area.

B. Drills

1. The provider shall conduct fire drills at least once per month and within three days of admitting a new
resident. There shall be at least one drill per shift every 90 days, at varying times of the day and the drills shall be documented. Effective August 1, 2016, documentation shall include:

a. date and time of drill;
b. names of residents and children present;
c. amount of time to evacuate the facility;
d. problems noted during drill and corrections noted; and
e. signatures (not initials) of staff present.

2. The provider shall make every effort to ensure that staff, residents, and children recognize the nature and importance of fire drills.

C. Notification of Emergencies

1. The provider shall immediately notify the Licensing Section, other appropriate agencies, and the resident's legal guardian of any fire, disaster, or other emergency that may present a danger to residents or children or require their evacuation from the facility.

D. Access to Emergency Services

1. The provider shall have access to 24-hour telephone service.

2. The provider shall either prominently post telephone numbers of emergency services on or near each phone located in the facility, including the fire department, police department, medical services, poison control (1-800-222-1222), and ambulance services, 911, the facility’s physical address or show evidence of an alternate means of immediate access to these services.

3. The provider shall ensure direct care staff can access emergency services at all times.
$7123. Safety Program

A. Policies and Procedures

1. The provider shall have policies and procedures for an on-going safety program that includes continuous inspection of the facility for possible hazards, continuous monitoring of safety equipment and investigation of all incidents.

B. General Safety Practices

1. The provider shall not possess or maintain or permit any other person to possess or maintain any firearm or chemical weapon on the premises with the exception of law enforcement personnel in the living units of the facility.

2. The provider shall ensure that all poisonous, toxic, and flammable materials are safely stored in appropriate containers labeled as to contents. Such materials shall be maintained only as necessary and shall be used in a manner that ensures the safety of residents, staff, children, and visitors. All hazardous chemicals shall be stored in compliance with public health guidelines.

3. The provider shall ensure that an appropriately equipped first aid kit is available in the living units and in all vehicles used to transport residents or children.

4. The provider shall prohibit the use of candles in the facility.

5. Power-driven equipment used by the provider shall be safe and properly maintained. Such equipment shall be used
by residents only under the direct supervision of a staff member and according to state law.

6. The provider shall allow residents and children to swim only in areas determined to be safe and under the supervision of a person certified/trained in American Red Cross Basic Water Rescue Community Water Safety or equivalent.
